Paper 2 English Grade 1tshwane:

English in Australia ,2003 **The Transformative Power of Language** Russell H. Kaschula,H. Ekkehard

Wolff,2020-09-10 Language has played a pivotal role in societal transformation in postcolonial Africa towards the creation of globally competitive knowledge societies however so far this role has been under researched and under estimated This volume addresses this gap in the literature by bringing together a team of globally recognised scholars to explore the effect of language on African postcolonial societies and how it has contributed to achieving mental decolonisation A range of languages are explored both imported ex colonial and indigenous African and case studies from different spheres of public discourse are investigated from universities to legal settings Demonstrating that multilingualism is a resource for rather than barrier to successful transformation this book brings the intellectualisation and institutionalisation of African languages to the forefront of development discourse and provides an insightful snap shot of how current academic research public discourse political activism and social community engagement have contributed to societal transformation in South Africa

Electronic Lexicography Sylviane Granger,Magali Paquot,2012-10-25 This book brings together leading professional and academic lexicographers to report on current developments in the deployment of electronic means in the planning writing and dissemination of dictionaries Every major aspect of electronic lexicography is covered by the book including dictionary types general and specialized dictionaries monolingual and multilingual dictionaries collocation dictionaries sign dictionaries collaborative dictionaries in a range of formats CD ROM web based handheld dictionary writing systems integration of corpora The book also addresses the implications of electronic dictionary making for lexicographic theory and illustrates how the new developments are integrated into innovative dictionary projects like Wiktionary The perspective of the user is considered throughout the book including how electronic dictionaries take account of user needs and whether and how users take advantages of the new features afforded by the electronic medium This state of the art account of developments in one of the most vibrant areas of reference publishing and language research will appeal to everyone concerned with current lexicography **A Nation Without Guns?** Adèle Kirsten,2008 After successfully negotiating the political transition in South Africa one of the greatest challenges that faced the new democracy was the proliferation of firearms and the high levels of violent crime associated with this Gun deaths and injuries rocketed out of control Ad le Kirsten tells the remarkable story of how Gun Free South Africa a small NGO with few resources mobilized to reduce the number of guns in circulation Through innovative campaigning and media strategies it quickly became a household name and the scourge of the pro gun lobby But the book tells more than this It highlights the value of involving ordinary people in a process that resulted not only in a new law but deeply influenced the thinking of many of those in search of genuine solutions to a post conflict society This book will appeal to concerned activists scholars and those involved in policy making and social change *Drum* ,2009-04
