

One day, Jesus was talking with his disciples and teaching them.

When Peter asked...

How often should I forgive someone who sins against me? Seven times?

Not seven times but seventy seven times.

Therefore the Kingdom of Heaven is like a certain king, who wanted to reconcile accounts with his servants.

He had begun telling a story

The king was settling all the money back they owe him. And one servant owed him ten thousand talents.

I wish that he be cruel with his family and everything he own.

O Lord! Please be patient with me and I will pay it all.

But one servant couldn't pay him back as he didn't have money

The King felt bad and released him, and forgave him the debt.

Forgive his debt and let him go

After he left he went to a fellow servant who owes him a hundred denarii... and said...

Please give me some more time

Pay me what you owe!

Forty-Day Study of the Biblical Story Rick Jory,2020-07-21 The Bible is not one book It is a compilation of sixty six books or writings And even though these were written by some forty different authors over a period of 1500 years there is an integrated message that runs throughout the Bible Unfortunately we often get our exposure to the Bible piecemeal For the church goer each week a small sliver of the biblical text is reviewed without a mechanism that puts all of these pieces into an integrated whole What we read or hear can seem disjointed How is the book of Leviticus connected to the book of Hebrews How is John's reason for writing his Gospel related to Psalm 2 How do we connect the covenant ceremony of Genesis 15 with the cross much less understand that ceremony to begin with Why is the book of Ruth included as part of the Bible What does it have to do with anything Or better yet why do we have the book of Esther where God is not mentioned at all What makes

each of these important How are they related or are they In short how is God s story God s revelation unified That s where A Forty Day Study of the Biblical Story comes in It looks at how each of the elements of the Bible contribute to an integrated whole And the lens used to see Scripture in a unified way is Jesus Everything we look at is done in the context to how it relates to Jesus and how it contributes to the Bible s unified message We learn why an obscure Galilean carpenter has become the center of all of history
