The penalty for infraction of this rule of silence was summary dismissal I read the pages through until the end and then sat for a long while thinking the wonderful possibilities of the plan taking a firmer hold upon me The Perfect Man And I Roger Canby should make him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such Paradise Garden: the Satirical Narrative of a Great Experiment, Etc George Fort GIBBS, 1916 historical works

Paradise Garden The Satirical Narrative of a Great Experiment Large Print By George Gibbs It might be better if Jerry
Benham wrote his own memoir for no matter how veracious this history must be more or less colored by the point of view of
one irrevocably committed to an ideal a point of view which Jerry at least would insist was warped by scholarship and stodgy
by habit But Jerry of course would not write it and couldn t if he would for no man unless lacking in sensibility can write a
true autobiography and least of all could Jerry do it To commit him to such a task would be much like asking an artist to paint

himself into his own landscape Jerry could have painted nothing but impressions of externals leaving out perforce the portrait of himself which is the only thing that matters So I Roger Canby bookworm pedagogue and student of philosophy now recite the history of the Great Experiment and what came of it It is said that Solomon and Job have best spoken of the misery of man the former the most fortunate the latter the most unfortunate of creatures And yet it seems strange to me that John Benham the millionaire Jerry's father cynic and misogynist and Roger Canby bookworm and pauper should each have arrived through different mental processes at the same ideal and philosophy of life We both disliked women not only disliked but feared and distrusted them seeing in the changed social order a menace to the peace of the State and the home The difference between us was merely one of condition for while I kept my philosophy secret being by nature reticent and unassertive John Benham had both the means and the courage to put his idealism into practice We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public.
