Olson, Jennifer M. Platt, 1992 With collaboration so vital to today s educational arena this thorough well organized highly readable text concentrates on the general process of teaching the basic how to do it to help prospective teachers of children with mild disabilities in grades 12 learn to work effectively with students other teachers and families Basing coverage on their extensive experience the authors present practical research based teaching strategies that relate to everyday occurrences in schools provide motivating experience based activities and offer numerous detailed lesson plans Their personal conversational writing style makes even complex concepts accessible while their extensive coverage gives readers a solid understanding of what works and what doesn t in both special education classrooms and inclusive settings For future teachers of elementary school students with mild disabilities and learning problems **Learning Through Drama in the Primary Years** David Farmer, 2012-08 Learning Through Drama contains drama strategies and lesson plans for use with primary school children across the curriculum The book provides guidance to teachers who have never taught drama before but are considering using it in a subject area such as science or history and offers new approaches to those familiar with common drama techniques such as hot seating and teacher in role The book includes 36 drama strategies and over 250 cross curricular activities including practical ideas for inspiring speaking listening and writing This book is a beautifully laid out easy to use resource full of imaginative and practical ideas to help learning become much more memorable and inspirational Hilary Lewis Drama Consultant Even the well practiced and creative drama teacher will find something in this book that serves as a refresher reminder or quite simply a new idea a must have publication for those serious about the teaching of drama in primary school settings Teaching Drama magazine The Embodied Performance of Gender Jack Migdalek, 2014-10-24 Norms of embodied behaviour for males and females as promoted in mainstream Western public arenas of popular culture and the everyday continue to work overtly and covertly as definitive and restrictive barriers to the realm of possibilities of embodied gender expression and appreciation They serve to disempower and marginalize those not inclined to embody according to such dichotomous models This book explores the ramifications of the way our gendered sexed and culturally constructed bodies are situated toward notions of difference and highlights the need to safeguard the social and emotional well being of those who do not fit comfortably with dominant norms of masculine feminine behaviour as deemed appropriate to biological sex The book interrogates gender inequitable machinations of education and performance arts disciplines by which educators and arts practitioners train teach choreograph and direct those with whom they work and theorizes ways of broadening personal and social notions of possible aesthetic and acceptable embodiment for

all persons regardless of biological sex or sexual orientation The author's own struggles as a performance artist educator and person in the everyday as well as the findings of empirical fieldwork with educators performance arts practitioners and high school students are employed to illustrate and advocate the need for self reflexive scrutiny of existing and hidden inequities regarding the embodiment of gender within one's own habitual perspectives taste and practices **Pioneering**

**Socio-Critical Approaches in English as a Foreign Language (EFL) Research** Férez Mora, Pedro Antonio, Coyle, Yvette, 2025-07-23 Rather than viewing language learning as solely a cognitive process researchers today believe that using a socio critical perspective creates equity within the English as a Foreign Language EFL community These approaches challenge traditional paradigms by examining how social structures ideologies and classroom practices influence learners experiences and opportunities The importance of integrating socio critical frameworks into EFL research highlights the potential to foster more inclusive reflective and socially responsive language education Pioneering Socio Critical Approaches in English as a Foreign Language EFL Research explores the change in traditional teaching of EFL This book contemplates the issues and challenges with traditional teaching using real world examples Covering topics such as classroom practice language learning and translanguaging this book is an excellent resource for academicians educators researchers faculty policymakers administrators and more Language Arts Mildred R. Donoghue, 2008-08-05 A clear introduction for the

teaching of language and communication **Quality Management in Education** Pamela Lomax, 1996 This book describes the work of a number of professionals who have used action research to improve the quality of their organization and their classrooms Underpinning all the accounts is the idea that shared values and a shared vision are central to improvement in education The accounts show how the writers use action research methods to question traditionally held assumptions and interpretations about educational management and classroom practice They are then able to put forward new theories and strategies which will help other educators to achieve a higher quality of education The book provides valuable source material for all those involved in professional development research methodology or educational management Observing

Children in the Primary Classroom (RLE Edu O) Richard Mills, 2012-05-31 In a sequence of observations of six children aged 5-11 in six different state schools this book offers a slice of classroom life a microcosm of the educational scene Since the book was first written there have been many changes in the curriculum structure governance and funding of British primary schools as well as in the language used to describe these changes But Observing Children in the Primary Classroom remains as valid now as earlier as a lively and entertaining indicator of children's daily school experience We see the reception class of an infants school through the eyes of Mike a lively five year old traveller boy Six year old Rashda a girl of Asian heritage grapples with English as a Second Language at her multi ethnic city school Slow learner David finds school life rather overpowering despite receiving expert extra help Lucy eight is a star in everything she does at her Roman Catholic school while Lorraine one year older is cheerful but utterly bewildered Finally Peter organises his work in an open plan setting and

makes some surprising choices     Mastering Writing at Greater Depth Adam Bushnell,Angela Gill,David Waugh,Rob Smith,2023-02-09 To master the teaching of writing at greater depth teachers first need to know What makes writing greater depth What does it look like How do I support children to develop the skills and creativity to be able to write at greater depth Official guidance lacks the substance and clarity that is needed so where do teachers go for support This book provides teachers with support guidance background theory examples and practical advice for the teaching of writing at greater depth The text highlights the need to take writing beyond transcription into creative composition and not only shows how this is possible but also explores why it matters The second edition is updated with new questions for discussion supporting teacher professional learning and links to the ITT Core Content Framework for trainee teachers     **Routledge Library Editions:**
