Goal-oriented Business Process Modeling Ilia Bider,Paul Johannesson,2005 The objective of this e book is to try to clarify the connection between the notions of goal and business process The issue is a follow up to the discussions at the Workshop on Goal Oriented Business Process Modelling held in London on 2 September 2002 The papers cover a wide spectrum of topics related to the notions of goals in the business process domain **Sustainable Development Goals** Pia Katila,Carol J. Pierce Colfer,Wil de Jong,Glenn Galloway,Pablo Pacheco,Georg Winkel,2019-12-12 A global assessment of potential and anticipated impacts of efforts to achieve the SDGs on forests and related socio economic systems This title is available as Open Access via Cambridge Core Ten Assessment Literacy Goals for School Leaders Stephen Chappuis,Steve Chappuis,Susan M. Brookhart,Jan Chappuis,2021-04-21 Of all school related factors that influence student learning only classroom instruction has greater impact than leadership And leaders have the greatest impact when they set direction citing that the goals and purpose they provide serves to strengthen and solidify the faculty The ten competencies for school leaders described in this book are based on a few factors First standards driven reform has created new knowledge requirements and responsibilities for school leaders In today s systems sorting students along a bell curve and artificially creating winners and losers has been replaced by a mission that all students must learn well Instead of a curriculum focused on what a teacher should teach the curriculum identifies what students must know and be able to do These standards are public and communicate what a state or district values when it comes to student learning Assessing the standards day to day not through large scale accountability tests or even local short cycle or common assessments is a requirement for effective standards based reform Second is the reward of improved student learning brought about by the use of classroom assessment for learning Assessment for learning has implications not just for school leaders but also for broader educational practice The research is conclusive and improved learning lies within the grasp of anyone wishing to apply it What does it look like when school leaders demonstrate mastery of the Ten Assessment Competencies Included in the book are examples learning activities and opportunities for practice as well as success indicators for each competency as leaders work toward mastery *Goals and Means* Jason Garner,2016-02-08 Essential reading for anyone interested in the wider roots and antecedents of international syndicalism and anarchism David Welch University of Kent Spanish anarchism did not emerge fully formed on the eve of the fascist coup attempt and subsequent Civil War In this detailed history of Spain in the decades leading up to the cataclysm Jason Garner investigates what most other books simply assume the conflicting forces goals and strategies that combined to create the country s libertarian movement Jason Garner has taught at the University of Westminster and the University of Kent He currently lives and teaches in Patagonia Argentina *Minimum Essential Goals*
