Advances in Human Factors in Training, Education, and Learning Sciences Waldemar Karwowski, Tareq Ahram, Salman Nazir, 2019-06-01 This book focuses on the importance of human factors in optimizing the learning and training process It reports on the latest research and best practices and discusses key principles of behavioral and cognitive science which are extremely relevant to the design of instructional content and new technologies to support mobile and multimedia learning virtual training and web based learning among others as well as performance measurements social and adaptive learning and many other types of educational technologies with a special emphasis on those important in the corporate higher education and military training contexts Based on the AHFE 2019 Conference on Human Factors in Training Education and Learning Sciences held on July 24 28 2019 in Washington D C USA the book offers a timely perspective on the role of human factors in education It highlights important new ideas and will fosters new discussions on how to optimally design learning experiences

Survival protocol. List of medications with descriptions. Oleg Nashchubskiy, The Survival Protocol A List of Medications with Descriptions is your guide to the world of medications designed to help you survive and be prepared for any eventuality This book contains the main and most important medications for general use describing more than 1 500 drugs Medical name and alternative names of drugs Find out the exact name of each drug and its alternative names so as not to be confused when using it Dosage Obtain clear dosage recommendations for safe and effective use of medications Brief description of the purpose Understand what each drug is used for without having to look for additional information There is no complete global description of each drug here since in this case the book would have about a thousand pages Instead the descriptions provided contain exactly the information that is necessary to understand exactly what the drug is used for This makes the book compact and convenient for use in any conditions and convenient to store in a first aid kit or emergency suitcase 1 Quick orientation to medications Instantly find

the information you need on more than 1 500 medications 2 Minimize risks Avoid mistakes with precise dosage recommendations and prescription descriptions 3 Confidence and Autonomy Act confidently and independently knowing how to properly use the medicines you find 4 Mobility The compact format allows you to always have the book at hand in your emergency suitcase travel first aid kit or backpack With the Survival Protocol you will always be one step ahead having the necessary information to make the right decisions in critical situations Your preparedness is the key to survival and safety in any circumstances Don t put it off until later Keep the book with you and always be prepared for any challenges that life may throw at you
