Par Ton Regard:

The Latin Poems Commonly Attributed to Walter Mapes Walter Map, 1841 Music Printing in Renaissance Venice Jane A. Bernstein, 1998-10-29 Venetian music print culture of the mid sixteenth century is presented here through a study of the Scotto press one of the foremost dynastic music publishers of the Renaissance For over a century the house of Scotto played a pivotal role in the international book trade publishing in a variety of fields including philosophy medicine religion and music This book examines the mercantile activities of the firm through both a historical study which illuminates the wide world of the Venetian music printing industry and a catalog which details the music editions brought out by the firm during its most productive period A valuable reference work this book not only enhances our understanding of the socioeconomic and cultural history of Renaissance Venice it also helps to preserve our knowledge of a vast musical repertory

The Letters of Margaret Fuller Margaret Fuller, 2018-10-18 The fifth volume of the collected letters of Margaret Fuller traces a period of great emotional turbulence reflecting the personal struggles she faced in motherhood and the external strife of revolutionary Europe in 1848 The book opens as she takes up residence in Rome where she continued to write essays for the New York Daily Tribune and kept up a steady flow of commentary on the political situation for her family and friends Among Fuller's correspondents are Ralph Waldo Emerson Giovanni Ossoli William Wetmore Story Giuseppe Mazzini Horace Greeley George William Curtis and Elizabeth Barrett Browning Many of the letters were written in Italian and are translated here for the first time Since Fuller was more centrally involved in the Italian Risorgimento than any other American they constitute an entirely new documentary source for historians of nineteenth century Italy **Dolly Parton**

SOMMES-NOUS À LA FIN D'UN TEMPS? Daniel Leveillard, La fin du monde Allez savoir pourquoi on en parle tant pour l'année 2012 en France une prétendue prophétie maya L'idée d'une fin du monde est commune toutes les civilisations Partout le monde a tracé et puisque il y a un commencement des temps il y aura forcément une fin des temps Ceci tant d'ailleurs vérifié par la Science Dans la Bible il est parlé galement de fin mais si l'Apocalypse n'exclut pas l'idée d'une catastrophe destructrice de l'Humanité elle parle aussi d'une Révélation c'est la signification du mot grec apocalypsos Qui disant Révélation signifiant sans ambiguïté qu'il y a quelque chose d'autre après Un Monde Nouveau un temps nouveau La fin d'un temps s'inscrit dans la Bonne Espérance d'un changement radical et durable une révolution dans notre façon de penser et notre façon d'être Sommes nous la fin d'un temps retrace l'évolution d'un système qui eut ses heures de gloire et qui devenu par trop obsolète a abouti un bouleversement On ne peut ignorer la différence d'esprit entre l'Ancien Régime royaliste et le

Nouveau Régime publicain mais on oublie facilement la différence volontairement occultée entre l'Église avant la Révolution et l'Église après la Révolution. Alors que le royaume était intimement lié à l'Église, cette Alliance entre le Trône et l'Autel qui remonte la nuit des temps, la République par une extension de la laïcité s'est détachée des choses du Ciel relevant la divinité au rang de deus otiosus. L'étude honnêtement montre pourtant que jamais le Merveilleux n'a été autant manifesté que depuis la Révolution et que tout annonce pour bientôt un événement de nature providentielle qui va bouleverser le cours de l'Histoire. Cet ouvrage fruit de très nombreuses années de recherches constitue une somme quant aux manifestations mariales et christiques où l'auteur renouant avec les textes authentiques montre quel point il y a loin de l'Histoire Simple à l'Histoire Sainte.

Jean Delville Brendan Cole, 2014-11-10 This book is the first full length study of the art and writings of Jean Delville. As a member of the younger generation that emerged during the end of the nineteenth century he was a dynamic leader of a group of avant garde artists who sought to establish a new school of Idealist Art in Belgium. He was one of the most talented painters of his generation producing a vast body of works that in both scale and technical accomplishment is unsurpassed amongst his contemporaries. In his extensive writings in contemporary journals and books he pursued a singular vision for the purpose of art to serve as a vehicle for social change as well as to inspire individuals to be drawn to a higher spiritual reality. Delville's thinking is heavily indebted to the hermetic and esoteric philosophy that was widely popular at the time and his paintings, poetry and writings reformulate the main tenets of this tradition in a contemporary context. In this regard his aesthetic and artistic goals are similar if not identical to those found in the writings and art of Kandinsky and Mondrian during the early twentieth century.

Dolly Parton, Gender, and Country Music
Leigh H. Edwards, 2018-01-06 The Foreword Indies Gold Medal Winner that analyzes Dolly Parton as a performance art project designed to subvert gender and class expectations. Shondaland Dolly Parton is instantly recognizable for her iconic style and persona but how did she create her enduring image? Dolly crafted her exaggerated appearance and stage personality by combining two opposing stereotypes: the innocent mountain girl and the voluptuous sex symbol. Emerging through her lyrics, personal stories, stage presence and visual imagery, these wildly different gender tropes form a central part of Dolly's media image and portrayal of herself as a star and celebrity. By developing a multilayered image and persona, Dolly both critiques representations of femininity in country music and attracts a diverse fan base ranging from country and pop music fans to feminists and gay rights advocates. In *Dolly Parton: Gender and Country Music*, Leigh H. Edwards explores Dolly's roles as musician, actor, author, philanthropist and entrepreneur to show how Dolly's gender subversion highlights the

challenges that can be found even in the most seemingly traditional form of American popular music As Dolly depicts herself as simultaneously real and fake she offers new perspectives on country music s claims of authenticity A valuable contribution to studies of celebrity gender music media and popular culture that should be useful to scholars working in any of these areas Celebrity Studies A stellar exploration of how Parton deftly balanced traditional country aesthetics with her willingness to rebel against those same trappings by completely owning her image and how she performed her femininity Bearded Gentlemen Music

When I Go Rainer Maria Rilke,2017-08-29 Rilke s French poetry appears here for the first time in readable musical versions Largely unknown and rarely collected these poems were written during the euphoria Rilke felt after having completed his greatest German works the Duino Elegies and the Sonnets to Orpheus At the same time Rilke was growing increasingly ill with a rare undiagnosed form of leukemia He died just four short years into the production of these poems and death appears in them as a kindly unfamiliar figure to be faced with courage and surrender Five series of poems are featured Roses Windows Affectionate Tribute to France Valaisian Quatrains and Orchards

The Pragmatic Ideal Mark Douglas McGarvie,2022-04-15 Following the life of a charismatic woman committed to reform The Pragmatic Ideal provides an introduction to the politics that dominated the early decades of the twentieth century ideas that are the basis for much of today s progressive thought As one of the new women who came of age during the Progressive era Mary Field Parton a close friend of Clarence Darrow pursued social justice as a settlement house worker and as a leading writer on labor organizing transforming pragmatic principles into action Mark Douglas McGarvie shows how following the upheavals of the late nineteenth and early twentieth centuries liberals such as Mary Field Parton turned to pragmatism hoping to generate greater social awareness from constructions of values rooted in personal experiences instead of philosophical or religious truths The Pragmatic Ideal reveals how Mary Field Parton sought to expand her rights as a woman while nonetheless denigrating rights as artificial legal impediments to social progress The issues she faced and the options she considered find important currency in the political divisions confronting Americans a century later
