Recent Trends in Intensive Computing M. Rajesh, K. Vengatesan, M. Gnanasekar, 2021-12-22 In a world where computer science is now an essential element in all of our lives, a new opportunity to disseminate the latest research and trends is always welcome. This book presents the proceedings of the first International Conference on Recent Trends in Computing ICRTC 2021 which was held as a virtual event on 21-22 May 2021 at Sanjivani College of Engineering, Kopergaon, India, due to the restrictions of the COVID-19 pandemic. This online conference aimed at facilitating academic exchange among researchers, enabled experts and scholars around the globe to gather for the discussion of the latest advanced research in the field despite the extensive travel restrictions still in place. The book contains 134 papers selected from 329 submitted papers after a rigorous peer review process, and topics covered include advanced computing, networking, informatics, security, and privacy and other related fields. The book will be of interest to all those eager to find the latest trends and most recent developments in computer science.
