**A Light in the Storm: The Diary of Amelia Martin, Fenwick Island, Delaware, 1861 (Dear America)** Karen Hesse, 2011-08-01 Newbery Medal winner Karen Hesse's Civil War diary *A LIGHT IN THE STORM* is now back in print with a beautiful new cover. In 1861 Amelia Martin's father is stripped of his post as a ship's captain when he is caught harboring the leader of a slave rebellion. Now he is an assistant lighthouse keeper on Fenwick Island off the coast of Delaware, a state wedged between the North and the South just as Amelia is wedged between her warring parents. Amelia's mother blames her abolitionist husband for their living conditions, which she claims are taking a toll on her health. Amelia observes her mother's hate and her father's admiration for Abraham Lincoln. But slavery is the deeper issue separating the two sides. As the Civil War rages on, Amelia slowly learns that she cannot stop the fighting but by keeping watch in the lighthouse each day, lighting the lamps, cleaning the glass, and rescuing victims of Atlantic storms, she can still make a difference. *On Board RMS Titanic* George Behe, 2012-02-29 It would make the stones cry to hear those on board shrieking. Daniel Buckley, third class passenger. For the first time in this moving new book, Titanic's passengers and crewmen are permitted to tell the story of that lamentable disaster entirely in their own words. Included are letters, postcards, diary entries, and memoirs that were written before, during, and immediately after the maiden voyage itself. Many of the pre-sailing documents were composed by people who later lost their lives in the sinking and represent the last communications that these people ever had with their friends and loved ones at home. The subsequent letters and postcards give an unparalleled description of the events that occurred during the five days that Titanic was at sea, and the correspondence by survivors after the tragedy describes the horror of the disaster itself and the heartbreak they experienced at the loss of those they loved. This poignant compilation by Titanic expert George Behe also contains brief biographies of the passengers and crewmen victims as well as survivors who wrote the documents in question. *American Book Publishing Record*, 1998

**Lost Voices from the Titanic** Nick Barratt, 2024-03-26 A fascinating new book that includes first-hand accounts, many previously unpublished, from survivors of Titanic's maiden voyage. Daily Express UK: On April 15, 1912, the HMS Titanic sank, killing 1,517 people and leaving the rest clinging to debris in the frozen waters of the North Atlantic, awaiting rescue. Here, historian Nick Barratt tells the ship's full story, starting from its original conception and design by owners and naval architects at the White Star Line through its construction at the shipyards in Belfast. *Lost Voices from the Titanic* offers tales of incredible folly and unimaginable courage, the aspirations of the owners, the efforts of the crew, and of course, the eyewitness accounts from those lucky enough to survive. In narrating the definitive history of the famous ship, Barratt draws from never-before-seen archive material and eyewitness accounts by participants at every stage of the Titanic's life. These long-lost voices bring new life to those heartbreaking moments on the fateful Sunday night when families were torn apart and the legend of the Titanic was cemented in our collective imagination. What sets this book apart from others that have been published on this subject is that survivors are given the opportunity to tell their personal stories in their own words and unedited. The result is heartbreaking.

April 1912 remains one of history's most tragic maritime disasters. Striking an iceberg in the North Atlantic during its maiden voyage, the ship left countless heart-breaking stories of lives lost or changed forever. Greater Manchester in England's northwest had strong ties to Titanic, with over thirty local people involved as passengers and crew, most of whom perished. Titanic: The Greater Manchester Connections recounts their stories. John Clarke, a Manchester-born band member, famously played on as the ship sank. Joseph Hyman, a Russian Jewish passenger who survived, later opened a kosher delicatessen in Manchester named Titanic's. Chemist Adolphe Saalfeld carried 65 perfume samples aboard to break into the American market. Although he survived, his perfumes were lost until recovered in 1985. Thomas Hart missed the voyage after his discharge book was stolen, inspiring the card game scene in James Cameron's 1997 film Titanic. The captains of two ships involved in the aftermath, the Carpathia and Californian, hailed from Bolton. The Titanic tragedy offers a glimpse into late Victorian and Edwardian society. Though the ship rests at the bottom of the Atlantic, its stories and legends continue to captivate worldwide.

**Death of a Purser** Frank McElroy, 2011-09-13 Over the years I have tried to get the answers to the many many questions that I have been asked regarding the RMS Titanic's Chief Purser Hugh Richard Walter McElroy. In doing this Autobiography and family research, the world can now know and hopefully understand Hugh. Also, I hope all those questions that have been asked over the years have now possibly been answered, also if others wish to go further into speculation like they have in the past, will find that there is no substitute for the truth. I hope that they will do their research rationally in locating the raw truth and with some regard to the simple fact that there are no villains in this story, just human beings with human characteristics. This book contains a large amount of unknown facts about the family and Hugh regards his early life. His never before told regards his unknown life with the White Star Line, what happened to Barbara after Hugh died. Why did Hugh's sister Charlotte's name disappear so quickly from the Southampton Committee of the Titanic Relief Fund in November 1914, after all she was a class A dependant. The loss of the R M S Titanic created a debate that has raged ever since and probably will do so for ever. It happened in 1912, prior to two world wars, long before television, indeed long before the talking pictures. It was an era as different to today as one can imagine. It was a world quite unlike our present days in nearly every respect, yet this event has even the most modern child's attention when it is spoken of. It is a story and the effects of its happening endure and will always endure so long as humans remain human.
