The Aquarian Gospel of Jesus the Christ (by Levi Dowling) Ruleaux Van Zyl, 2013-04 The original author of this book during his theological training on the main religions of the world came upon a very old system called Akashic Records where he found it was actually the same as the remembrances of God as called in the Bible which is described as rolls that were written by the angels on everything that happened in everyone's life according to which a person after his death must answer to God on all the sins that he has committed on earth At that time it is obvious that there was no knowledge of electronics this was the only way of describing the operation The Akashic Records are records of any action thought and any other activities that take place during a person's life recorded by the very sensitive etheric waves that are everywhere present The writer Levy Dowling found that after many years of study on this subject and forty years of meditation he was able to pick up these recordings according to the pitch of vibrations the tone etc and could follow that of a person without a mistake like a modem can send out a signal to open a car's door etc By intense praying he received authority from the Holy Spirit to follow the life of Jesus the Christ The whole life of Jesus the Christ is recorded from even before his birth until after his Crucifixion in full filling in all the gaps errors and obviating the blatant mistake done to church dogmas over the years Even the gap of Jesus's supposed disappearance during his youth is covered The Holy Spirit informed Levi that this book will be read by everyone on earth
