Philo Of Alexandria:

Reading Philo Torrey Seland, 2014-11-29 Guidebook par excellence to a significant ancient Jewish scholar A contemporary of both Jesus and the apostle Paul Philo was a prolific Jewish theologian philosopher and politician a fascinating somewhat enigmatic figure who lived his entire life in Alexandria Egypt His many books are important sources for our understanding of ancient Judaism early Christianity and the philosophical currents of that time Reading Philo is an excellent introductory guide to Philo's work and significance The contributors all well known experts on Philo of Alexandria discuss Philo in context offer methodological considerations how best to study Philo and explore Philo's ongoing relevance and value why reading him is important This practical volume will be an indispensable resource for anyone delving into Philo and his world

Philo of Alexandria Samuel Sandmel, 1979 Samuel Sandmel's book Philo of Alexandria An Introduction is a basic introductory supplementing his own teacher Goodenough An Introduction to Philo Judaeus and foundation to more recent works on Philo *Philo of Alexandria* Jean Danielou, 2014-06-25 Philo of Alexandria was a few years older than Jesus of Nazareth and lived longer He belonged to a wealthy and cultured family prominent in the Jewish community in Alexandria Philo had contacts with the highest level of Roman authorities He was on a risky diplomatic mission to Caligula on behalf of the persecuted Jews of Alexandria during what turned out to be Caligula's last days Herod Agrippa was a friend in Rome during Philo's hour of greatest need Philo is a sympathetic source on what sounds very much like a contemporary Jewish monastic movement He is also one of the creators of the allegorical interpretation of Scripture Some of his exegesis is reminiscent of Pythagorean numerology It has been argued that Philo who was well educated in Greek thought was the founder of medieval philosophy St John seems to adapt Philo's thoughts about the Logos the Word in the prologue to his Gospel There are also close ties between Philo's thinking and the Letter to the Hebrews Jean Danielou a paradigm of scholarship and clarity makes Philo speak to us in his own voice Anyone interested in patristics exegesis or simply Christian beginnings will benefit by reading Danielou's treatment of Philo **Philo-Judæus of Alexandria** Norman Bentwich, 1910

Philo of Alexandria Peder Borgen, 1997 Philo's writings are a comprehensive and important source of late Second Temple Judaism The structure of the books and their exegetical ideas are seen here as being closely connected and his writings are analysed against the background of the history variety and outlook of Alexandrian Jewry from publisher description *Philo of Alexandria* Mireille Hadas-Lebel, 2012-07-26 Mireille Hadas Lebel shines a spotlight on the complex life and works of Philo the illustrious Alexandrian Jewish philosopher offering a fascinating insight into a seminal religious thinker at the crossroads of Judaism and Hellenism **Philo and the Church Fathers** Douwe (David) Runia, 2015-12-22 The extensive writings of the Jewish philosopher and exegete Philo of Alexandria 15 BCE to 50 CE were preserved through the efforts of early Christians who decided that these works could assist them in developing their own distinctive kind of thought The present collection of papers written from 1989 to 1994 is published as a companion volume to the author's monograph Philo in Early Christian

Literature A Survey 1993 The papers deal with various aspects of the process of reception that Philo received at the hands of the Church Fathers Authors who are given particular attention are Athenagoras Clement Origen Basil Gregory of Nyssa Isidore of Pelusium and Augustine The papers also include a hitherto unpublished English translation of the author s inaugural lecture held at Utrecht in April 1992 *Philo of Alexandria: On the Contemplative Life* Joan E. Taylor, David M. Hay, 2020-11-09 On the Contemplative Life is known for its depiction of a philosophical group of Jewish men and women known as the Therapeutae Yet the reasons for their depiction have been little understood In the first commentary on the treatise in English for over 100 years the social cultural and political background of the times in which Philo lived are shown to be crucial in understanding Philo s purposes As Alexandrian Jews were vilified and attacked Philo went to Rome to present the case for his community faced with intense opposition Side stepping direct confrontation Philo here cleverly presents the Therapeutae as the pinnacle of excellence most especially in their communal meal while ridiculing his accusers in a stinging parody of a festive banquet *On the Embassy to Gaius* Philo, 2021-04-10 In On the Embassy to Gaius Philo of Alexandria presents a detailed narrative that explores the complex relationship between Jews and the Roman Empire during the first century CE This work not only recounts the mission led by Jewish ambassadors to Emperor Gaius Caligula but also employs sophisticated rhetoric and philosophical reasoning to articulate the Jewish identity amidst a predominant Graeco Roman milieu Philo s illustrious command of both Hebrew traditions and Hellenistic thought positions the text as a critical bridge between two cultural landscapes revealing the tension between religious fidelity and the exigencies of imperial governance Philo a Hellenistic Jewish philosopher was born in Alexandria a hub of cultural exchange where Jewish and Greco Roman ideas converged His experiences as a leading member of the Jewish community in Alexandria coupled with his profound engagement with Platonic and Stoic philosophies deeply inform his writings This particular work stems from the socio political turmoil faced by the Jewish population under Gaius reflecting Philo s urgent desire to defend and articulate the plight of his people within a challenging historical framework I highly recommend On the Embassy to Gaius to scholars and enthusiasts alike as it serves not only as a vital historical document but also as a profound philosophical treatise It invites readers to contemplate the intricate dynamics of identity power and the cultural dialogues that have shaped our understanding of ancient civilizations In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references

historical allusions and archaic phrases for an effortless more informed read **Philo of Alexandria and Post-Aristotelian Philosophy** Francesca Alesse, 2008-07-31 The essays collected in this volume focus on the role played by the philosophy of the Hellenistic or post Aristotelian age from the school of the successors of Aristotle Theophrastus and other Peripatetics Epicurus Sceptical Academy and Stoicism to neo Pythagorenism and the schools of Antiochus and Eudorus in Philo of Alexandria s works Despite many authoritative studies on Philo s vision of Greek philosophy as an exegetical tool in allegorizing the Scripture there is not such a comprehensive overview in Philo s treatises that takes in account both the progress achieved in the recent interpretation of Hellenistic philosophy and analysis of ancient doxographical literature

Philo of Alexandria: On the Life of Abraham Ellen Birnbaum, John M. Dillon, 2020-09-07 On the Life of Abraham displays Philo s philosophical exegetical and literary genius at its best Philo begins by introducing the biblical figures Enos Enoch Noah Abraham Isaac and Jacob as unwritten laws Then interweaving literal ethical and allegorical interpretations Philo presents the life and achievements of Abraham founder of the Jewish nation in the form of a Greco Roman bios or biography Ellen Birnbaum and John Dillon explain why and how this work is important within the context of Philo s own oeuvre early Jewish and Christian exegesis and ancient philosophy They also offer a new English translation and detailed analyses in which they elucidate the meaning of Philo s thought including his perplexing notion that Israel s ancestors were laws in themselves **The Works of Philo** Charles Duke Philo, 1991-10 Foreword by David M Scholer is dated May 2008

The Writings of Philo of Alexandria Philo of Philo of Alexandria, 2017-09-22 Philo of Alexandria also called Philo Judaeus was a Hellenistic Jewish philosopher who lived in Alexandria in the Roman province of Egypt Philo used philosophical allegory to harmonize Jewish scripture mainly the Torah with Greek philosophy His method followed the practices of both Jewish exegesis and Stoic philosophy His allegorical exegesis was important for several Christian Church Fathers but he has barely any reception history within Rabbinic Judaism He believed that literal interpretations of the Hebrew Bible would stifle humanity s perception of a God too complex and marvelous to be understood in literal human terms Some scholars hold that his concept of the Logos as God s creative principle influenced early Christology Other scholars deny direct influence but say that Philo and Early Christianity borrow from a common source The only event in Philo s life that can be decisively dated is his participation in the embassy to Rome in 40 CE He represented the Alexandrian Jews in a delegation to Roman Emperor Caligula following civil strife between the Alexandrian Jewish and Greek communities The story of this event and a few other biographical details are found in Josephus and in Philo s own works especially in Legatio ad Gaium Embassy to Gaius of which only two of the original five volumes survive Odin s Library Classics is dedicated to bringing the world the best of humankind s literature from throughout the ages Carefully selected each work is unabridged from classic works of fiction nonfiction poetry or drama *Philo of Alexandria: On Cultivation* Philo, 2012-11-09 From antiquity to the present day Philo of Alexandria has been famous for his allegorical treatises on Genesis This is the first translation and commentary on an

allegorical work in the Philo of Alexandria Commentary Series **Philo** Philo (of Alexandria.),1966 **Philo of Alexandria and The "Timaeus" of Plato** David T. Runia,1986 *Philo-Judaeus of Alexandria* Norman Bentwich,1948 **Philo's Flaccus** Philo (of Alexandria.),2003-01-01 This book presents a new English translation of and philological historical commentary on Philo's In Flaccum the only document extant that deals with the anti Jewish pogrom in Alexandria in 38 CE

Philo of Alexandria Maren R. Niehoff,2018-01-09 Philo was a Hellenistic Jewish philosopher who left behind one of the richest bodies of work from antiquity yet his personality and intellectual development have remained a riddle Maren Niehoff presents the first biography of Philo arguing that his trip to Rome in 38 CE was a turning point in his life There he was exposed not only to new political circumstances but also to a new cultural and philosophical environment Following the pogrom in Alexandria Philo became active as the head of the Jewish embassy to Emperor Gaius and as an intellectual in the capital of the empire responding to the challenges of his time and creatively reconstructing his identity though always maintaining pride in the Jewish tradition Philo's trajectory from Alexandria to Rome and his enthusiastic adoption of new modes of thought made him a key figure in the complex negotiation between East and West **The Works of Philo** Philo,2011 Philo known also as Philo of Alexandria Philo Judaeus and Philo the Jew among other names was a Hellenistic Jewish philosopher who lived in Alexandria from 20 BC to 50 CE Philo's works are most known for being allegorical interpretations of the Scriptures fusing Jewish thought to Stoic philosophy Although not widely accepted in his time his vast collection of works had a powerful influence on early Christian theology and especially on later Christian writers like Clement of Alexandria Origen Saint Jerome and Athenagorus Despite being a devout Jew some saw in Philo a cryptic Christian This is the third of four volumes of The Works of Philo and contains many of his cosmogenic historical and political works like On the Life of Moses On Monarchy On Justice On Rewards and Punishments and To Prove that Every Man who is Virtuous is Also Free
