Voyages En Absurdie:

Voyages en absurdie Stéphane De Groodt, Christophe Debaq, 2013-11-07 Stéphane De Groodt propose un recueil de ses meilleures chroniques Sur un ton très décalé il joue avec les mots avec une absurdité revendiquée et s'inscrit dans la droite ligne de Raymond Devos Humoriste la notoriété grandissante ce recueil est son premier ouvrage publié Vous le sachez peut-être oui bon je dis ce que je veux et si vous le savez pas je vais vous le dire quand même parce qu'un homme averti en vaut deux et qu'une femme avertie en vaut la peine mais ces chroniques du latin *chronicum* et du français grec *chronikos* m'auront permis de conduire ma plume Londres de moi-même aux six côtés de l'Hexagone aux plus hauts sommets des profondeurs dans les régions les plus reculées avancées assises debout couchées des quatre coins du monde pour des rencontres aussi sérieuses que réalistes aussi curieuses que rieuses D'une simple touche sur mon clavier spirale j'ai rencontré Reza Pahlavi le fils de feu le Shah et de la chatte ai vu danser Régine le twist gaine me suis transporté de la baraque d'Obama au jacuzzi de Silvio me suis encastré dans Fidel suis entré dans la reine ai fait marcher Delon en large ai tiré la peine avec Jean Marine et laissé terre Mitt Stéphane De Groodt *Voyages en absurdie* Stéphane De Groodt, 2014

Charles De Gaulle s leadership of the French while in exile during World War II cemented his place in history In contemporary France he is the stuff of legend consistently acclaimed as the nation s pre eminent historical figure But paradoxes abound For one thing his personal popularity sits oddly with his social origins and professional background Neither the Army nor the Catholic Church is particularly well regarded in France today as they are seen to represent antiquated traditions and values So why then do the French nonetheless identify with celebrate and even revere this austere and devout Catholic who remained closely wedded to military values throughout his life In The Shadow of the General resolves this mystery and explains how de Gaulle has come to occupy such a privileged position in the French imagination Sudhir Hazareesingh s story of how an individual life was transformed into national myth also tells a great deal about the

French collective self in the twenty first century its fractured memory its aspirations to greatness and its manifold anxieties Indeed alongside the tale of de Gaulle's legacy the author unfolds a much broader narrative the story of modern France
