**The Illustrated Guide to Assistive Technology & Devices** Suzanne Robitaille, 2009-12-08 A Doody's Core Title 2012

This new illustrated guide to assistive technologies and devices chronicles the use of AT/AD technology used by individuals with disabilities to perform functions that might otherwise be difficult or impossible. This book empowers people to use assistive technologies to overcome some of their physical or mental limitations and have a more equal playing field. It includes real life examples about how people with disabilities are using assistive technology AT to assist them in daily tasks and discusses emotional issues related to AT/AD.

*The Complete Guide for People With Parkinson's Disease and Their Loved Ones* Lianna Marie, 2020-10-15 A diagnosis of Parkinson's disease is as disorienting as it is devastating. *The Complete Guide for People With Parkinson's Disease and Their Loved Ones* helps make sense of what comes next and what can be done not just for those suffering from the disease but for their family and friends as well. A trained nurse and primary caregiver for her mother who was diagnosed with Parkinson's disease in 1991, Lianna Marie draws upon over twenty years of education, research, and direct experience. Written in straightforward and easily accessible language, this essential guide aims to help patients better understand their role in their treatment so that they may continue to lead happy and hopeful lives. Topics covered include nutrition and exercise, alternative and complementary therapies, medication and treatment, and what caregivers can do to help. Written by an international expert on Parkinson's who has confronted the disease firsthand, *The Complete Guide* serves as the go-to book for comprehensive, easy-to-understand information for all Parkinson's patients and their loved ones.
