South Pacific Handbook David Stanley, 2000 Provides historical and travel information for visitors to Polynesia and Melanesia including Cook Islands Samoa Fiji Islands New Caledonia and Solomon Islands Hitler's Croatian Ally Antonio J Muñoz, 2025-07-02 Explores the rise and struggle of the Independent State of Croatia during WWII's brutal Balkans conflict On 6 April 1941 Nazi Germany along with Italy and Hungary invaded Yugoslavia after the overthrow of the Yugoslav regent Prince Paul Hitler sought to secure the right flank for his upcoming invasion of the USSR and assist Mussolini who had failed to conquer Greece The German attack was swift and by 17 April Yugoslavia capitulated leading to the creation of the Independent State of Croatia NDH Ante Pavelić leader of the fascist Ustaše organization was installed as the head of Croatia His government immediately began a brutal campaign of repression against non Croats especially Serbs This sparked rebellions with Serbian Chetnik bands and Croatian communists forming separate guerrilla movements The Croatian state was soon overwhelmed by these insurgencies Italy further complicated matters by creating occupation zones within Croatia supporting Chetnik bands and hampering Croatian military efforts The Croatian Army unable to fortify its territory due to Italian restrictions was often attacked by Chetniks and forced to fight on two fronts Despite these challenges including inadequate armament and the constant interference of its allies Croatia maintained a military force that continued to fight until the war's bitter end **Fiji Islands Handbook** David Stanley, 1996 A fourth revised edition of a handbook to the 322 islands of the Pacific that make up the Fiji Islands covering Viti Levu Yasawa islands the Lomaiviti group Vanua Levu Taveuni the Lau group and Rotuma Offers recommendations for the traveller on accommodation airfares air routes and tour services and inter island travel Beyond Memory Max Mojapelo, 2008 South Africa possesses one of the richest popular music traditions in the world from marabi to mbaqanga from boeremusiek to bubblegum from kwela to kwaito Yet the risk that future generations of South Africans will not know their musical roots is very real Of all the recordings made here since the 1930s thousands have been lost for ever for the powers that be never deemed them worthy of preservation And if one peruses the books that exist on South African popular music one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed Yet the fault lies not with them rather in the fact that there has been precious little documentation in South Africa of who played what or who recorded what with whom and when This is true of all music making in this country though it is most striking in the musics of the black communities *Beyond Memory Recording the History Moments and Memories of South African Music* is an invaluable publication because it offers a first hand account of the South African music scene of the past decades from the pen of a man Max Thamagana Mojapelo who was situated in the very thick of things thanks to his job as a deejay at the South African Broadcasting Corporation This book astonishing for the breadth of its coverage is based on his diaries on interviews he conducted and on numerous other sources and we find in it not only the well known names of recent South African music but a countless host of others whose

contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries
