A Translation Theory of Knowledge Transfer Kjell Arne

Røvik,2023-03-28 In A Translation Theory of Knowledge Transfer Kjell Arne Røvik develops a new theory on the challenges of transferring and sharing knowledge across organizational borders Based on extensive research he proposes a new reframing idea of knowledge transfer as acts of translation resembling the translation of texts This new concept both extends and challenges established theories of knowledge transfer Containing a comprehensive review of the last 40 years of research on knowledge transfer across organizational borders this book also offers a step by step account of how a new theory within organizational research has been developed Røvik states that the capacity of an organization to transfer and exploit knowledge from other organizations is a key to its competitiveness progress and even survival and convincingly argues how this new translation theory can be used to guide practitioners involved in knowledge transfer processes
