The Journey Into a Man's Broken Heart Sabur Im, 2011 Letter to the Reader: A story is just the formation of words used to paint the picture of an event. My story is not any different. Each word used is full of emotions with hopes of painting a portrait of LOVE. I always heard people say, "It's better to have LOVED and lost than not to have LOVED at all." And at times I was completely in agreement with this. Well, that was until I LOVED and lost and was never able to LOVE again. I can't blame LOVE for this, but I can blame me. In order to remove the stain that guilt has left on the remaining pieces of my heart, I painted this picture with my words in hopes that you will end up appreciating the gift of LOVE.

Deborah Santana is best known for her marriage to music icon Carlos Santana a thirty year bond that endures to this day But as a girl growing up in San Francisco in the 1960s daughter of a white mother and a black father the legendary blues guitarist Saunders King her life was charged with its own drama long before she married In this beautiful haunting memoir Deborah Santana shares for the first time her early experiences with racial intolerance her romantic involvement with musician Sly Stone and the suffering she endured in that relationship and her adventures in the freewheeling 1960s Yet it is her spiritual awakening that is the core of this story The civil rights movement was the foundation of her growth the Woodstock era the backdrop of her love with Carlos The couple was drawn indelibly together by a search for truth and spirituality but while yearning to be filled with God s light they were pulled dangerously toward a manipulative cult They eventually disengage themselves from the guru and reclaim control of their lives putting their love for each other before the cult s increasingly strenuous demands Space Between the Stars is a moving account of self discovery rendered in raw beautiful prose by a woman whose heart has remained pure even in times of despair As Deborah Santana talks frankly about her lifelong fight against racial injustice and her deep seated loyalty to her family ultimately it is the struggle to remain a spiritual and artistic force in her own right in the shadow of one of the world s most revered musicians that shines through as her most indomitable pursuit
