

New 11th Edition Service Management Guide (Flat Rate Manual)

The expanded Service Management Guide offers over 100 pages of average work unit times for the most basic service functions performed by competent RV technicians.

- The 11th Edition of the Service Management Guide offers extensive updates and additions provided by dealers, service managers, and technicians.
- Service Check Sheets provide a valuable reference for service managers and technicians.
- A great tool for working with extended service contracts.
- Available in 2 formats: printed on durable cardstock paper with a 3-ring binder, and as a searchable pdf document on CD-ROM.

The Service Management Guide is designed to provide reasonable guidance relative to the time required for competent technicians to complete assigned tasks. It is an important part of the service management system, but it is not intended to be the sole determinant of prices or rates charged in that sale of service.
