Power Of Now The Eckhart Tolle:

The Power of Now Eckhart Tolle, 1999-09-27 Eckhart Tolle is emerging as one of today's most inspiring teachers. In *The Power of Now*, already a word-of-mouth bestseller in Canada, the author describes his transition from despair to self-realization soon after his 29th birthday. Tolle took another ten years to understand this transformation during which time he evolved a philosophy that has parallels in Buddhism, relaxation techniques, and meditation theory but is also eminently practical. In *The Power of Now*, he shows readers how to recognize themselves as the creators of their own pain and how to have a pain-free existence by living fully in the present. Accessing the deepest self, the true self, can be learned, he says, by freeing ourselves from the conflicting unreasonable demands of the mind and living present fully and intensely in the Now.

Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being: the eternal ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being liberated from Mind and intensely in the Now is there Enlightenment. **The Power of Now: by Eckhart Tolle | Summary & Analysis** Elite Summaries, In today's society, it is easy to get caught up in the daily drudgery of life and lose touch with your spirituality. He goes on to teach us how to free ourselves from the mind and introduces the concept that we are a source of our own pain. with us how he became so Enlightened He questioned just like a lot of us what is there for me It was this question that made him realize his thinking and why he would think it It was then that he decided to focus on the thinking watching it and not judging but try to change it Through his own transforming experience he has brought us a way to transform ourselves To stop thinking what is there for me to stop thinking in general and realize what we truly have the present The Now Here Is A Preview Of What You ll Learn You Are Not Your Mind Consciousness The Way Out of Pain Moving Deeply into the Now Mind Strategies for Avoiding the Now The State of Presence The Inner Body Portals into the Unmanifested Enlightened Relationships Beyond Happiness and Unhappiness There Is Peace The Meaning of Surrender The Book at A Glance Conclusion Final Thoughts Now What Scroll Up and Click on buy now with 1 Click to Download Your Copy Right Now Tags the power of now eckhart tolle spiritual spirituality new age the power of now by eckhart tolle the power of now audiobook
