*The Power of Tongues*, 2005      Don't Stop Here Chris Oyakhilome PhD., 2004-03-01 In *Don't Stop Here* Pastor Chris shows you just how to make spiritual progress as he takes you through Elijah and Elisha's journey from Gilgal to Jordan. This inspirational and prophetic book will open your eyes to see where you are in your spiritual journey point you      *Seven Things The Holy Spirit Will Do For You* Chris Oyakhilome, Christ Embassy Int'l, 2005 The greatest thing that God has done for us is to give us the Holy Spirit. The Holy Spirit is the Almighty Spirit of God. He is the One Who communicates the presence of God. So many Christians have never really known the importance of that. That is what made Jesus the Christ. It was the Spirit's indwelling that made Him who He was. That is the Spirit that makes us children of God today. The Holy Spirit is the Third Person of the Trinity revealed to the Christian. He is one with the Father and the Son. 1 John 5:7 He is neither less important nor less powerful. He is God and co-equal with the Father and the Son. Right from the beginning of the Scriptures we're introduced to the Person of the Holy Spirit and throughout the Scriptures we're further acquainted with Him. His power and His Person. In all of these His ministry is clearly revealed not to exalt Himself but to lead us and reveal to us the Person of Jesus. Ephesians 5:18 And be not drunk with wine wherein is excess but be filled with the Spirit. The ministry of the Holy Spirit in the life of the Christian is so vital. This is why Paul by the Spirit gave us this all-important charge to continually be filled with the Holy Spirit. He also prayed concerning the communion of the Holy Ghost in 2 Corinthians 13:14 The grace of the Lord Jesus Christ and the love of God and the communion of the Holy Ghost be with you all. Amen. This is talking about a relationship, a fellowship with the Holy Spirit for He is a person and you can maintain a relationship with Him. You can talk to Him and commune with Him. A lot of us have missed out on the blessings of such a communion because we've not taken time to understand the Holy Spirit. But when you know the Holy Spirit and recognize the importance of communing with Him, you'll constantly desire to have the fullness of the Spirit and then you will experience the blessings of that wonderful fellowship. In this book I have highlighted seven vital blessings that the Holy Spirit brings into the life of every child of God who has allowed Him to fill them and occupy their vessels. Seven blessings that will bring an amazing transformation in your life as you yield to the influence of the Holy Spirit.      Powerful Devices Abimbola Adunni Adelakun, 2022-10-14 *Powerful Devices* studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge and establishing righteousness in their stead. Drawing on performance studies emphasis on radicality and breaking of social norms as devices of social transformation, the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism. Combining religious studies with ethnography *Powerful Devices* explores Nigerian Pentecostals and US Evangelicals praxis of transnational spiritual warfare. By closely studying spiritual warfare prayers as a device *Powerful Devices* shows how the rituals of prayer enable an apprehension of time paradigms of self-enhancement and the subversion of politics and authority. A critical intervention *Powerful Devices*

explores charismatic Christianity's relationship to science and secular authority technology and temporality neoliberalism and reactionary ideology

**The Prosperity Gospel in Africa** Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth
