Chinese for Specific and Professional Purposes Hongyin Tao, Howard Hao-Jan Chen, 2019-08-20 This book likely the first of its kind in the English language explores Chinese for specific and professional purposes CSP in terms of theorizing and developing practical applications for language teaching and learning While research in language for specific purposes is thriving for languages such as English there has been comparatively little such research conducted for Chinese This volume attempts to fill the gap by bringing together practitioners from a broad international scholarly community who share common interests yet diverse orientations Seventeen papers are included and address four broad thematic categories 1 academic Chinese 2 business Chinese 3 Chinese for medicine and health care and 4 Chinese for other broadly defined services and industries diplomacy tourism wine tasting etc Representing the state of the art in CSP research the book offers an indispensable guide for anyone interested in theoretical and practical issues in this area of applied Chinese language studies 廖正兴, 2017

Research in Chinese as a Second Language Istvan Kecskes, 2013-05-28 The book aims to address one of the main problems of Chinese language teaching lack of research base The rapidly growing interest in Chinese language teaching has not resulted in the development of a strong research

background This book attempts to change the current situation The volume consists of three chapters Chapter I Research Base for Practice contains three papers each of which uses research findings as a basis for solving issues connected with practical language teaching Chapter II Integrating Culture and Language is about one of the most intriguing topics of current language oriented research how to integrate culture into the process of language teaching Chapter III Acquisition of Language Structures consists of studies that investigate the acquisition of certain grammatical structures in Chinese There are only a few papers in the literature on this issue so the articles in this chapter are especially important for further research One of the most important features of the volume is that each paper makes an attempt to bring together theory and practice by focusing on theory building based on practice or theory application in practice Thus the book can be recommended to both researchers and practitioners

De maat van alle dingen Johannes Westendorp, 2024-05-30 De plot staat vast op 2 januari 2017 wordt in de Utrechtse winkelpassage Hoog Catharijne een aanslag gepleegd Inclusief de dader vallen er vijf dodelijke slachtoffers De maat van alle dingen beslaat de drie voorafgaande maanden waarin de verhalen worden verteld van alle betrokkenen Niet alleen laat Johannes Westendorp op meesterlijke wijze zien hoe deze ogenschijnlijk losse levens onverbiddelijk door het noodlot met elkaar verweven raken maar bovenal toont hij de mens in al zijn

Politics of Difference in Taiwan T.W. Ngo, Hong-zen Wang, 2011-05-10 Taiwan has been hailed as a successful case of democratization Compared with many other nations the transition from authoritarian rule occurred in a rather orderly fashion Group consciousness emerged as a reaction to the decades long suppression of cultural diversity under martial law as different social groups competed fiercely to exert their political subjectivity This volume is the first study to examine the politics of difference in Taiwan It aims to go beyond ethnic identity as the sole concern for group boundary to acknowledge the interests of other marginalized groups and to look behind reified group boundaries in order to discover group differences as mediated social relations based on overlapping boundaries rather than exclusive opposition In exploring the politics of difference among minority groups and the problems arising from their struggle over political recognition the book challenges the assumptions that groups are ontologically given that groups are internally homogenous and that the particularistic identities have no overlap The chapters offer a broad coverage of major social groups including ethnic minorities recent migrants gay and lesbian groups and marginalized workers They offer perspective analyses of the ongoing struggles by minority groups to overcome subordination

Zero Foreign Language Mohd Mursalin Sa'ad, 2023-06-15 People think that learning a new foreign language is tough but instead the secret is not intelligence but interest determination and discipline That said having a strategic learning program a good curriculum and resources to study Most importantly the style of study skills The strategic language study guide For those who have given up learning a foreign language due to the intricacy of language courses here is support for learning a new language With this guide those who have been discouraged

by the complexity of language courses can now learn a new language with confidence Mohd Mursalin is thirty years old and speaks 4 languages fluently Despite his busy schedule he took night classes That didn't work for him either Instead he started learning by himself In order for him to learn the language he needed language resource books He ventured into bookshops and bought some books that would help him improve his vocabulary Using simple techniques and free online resources Not to mention speaking with the locals He spent hours reading these books and looking up words he didn't understand thereby gradually expanding his knowledge and deepening his understanding of the language There had never been any translation of phrases in the university the student has to challenge himself by searching for meanings in the dictionary And a dictionary is a great tool The keyword is you need reference books and education resources to improve your vocabulary memory improvement and study skills In Zero Foreign Language Mohd Mursalin reveals his secrets and techniques for language learning His innovative strategies and easy to follow instructions are sure to help others experience his success in learning a language quickly and effectively The author cites examples of learning Arabic language and techniques of mastering other foreign languages The principles are similar but it is important to know that language has unique grammar rules which you need to adhere The greatest challenge to learning a foreign language is that acquiring another foreign language is not easy especially when the people in your country do not converse in that language The media the people you meet do not speak and use that language But learning a foreign language is like being an unsung hero Learning to speak another language is tremendous You open a newspaper or book in a foreign language Suddenly in front of your eyes the language translated in your Brain and you know the meaning of a phrase without any translation It is exciting to study a new foreign language in your spare time and at your own pace You will learn 1 Motivation and inspiration 2 Strategic plan for study purpose 3 setting goals to accomplish your foreign language course 4 Tips to start learning Arabic and fundamental study skills 4 Memory skills to memorize new words and more 零語法學, 2008 Practical Audio Visual Chinese Teacher's Manual 2 2nd Edition In Traditional Chinese Distributed by Tsai Fong Books Inc 零語法學 零語法學, 2008 Practical Audio Visual Chinese 4 2nd Edition Book MP3 In Traditional Chinese Distributed by Tsai Fong Books Inc
