trainers in the world and enhance your analytical skills to pass the CompTIA Security SY0 501 exam

Key Features

- Become a pro at answering questions from all six of the domains of the SY0 501 exam
- Learn about cryptography algorithms security policies and their real world implementations
- Solve practice tests that complement the official CompTIA Security certification exam

Book Description CompTIA Security is a core security certification that will validate your baseline skills for a career in cybersecurity. Passing this exam will not only help you identify security incidents but will also equip you to resolve them efficiently. This book builds on the popular CompTIA Security Certification Guide which mirrors the SY0 501 exam pattern. This practice test based guide covers all six domains of the Security SY0 501 exam: threats, attacks and vulnerabilities; technologies and tools; architecture and design; identity and access management; cryptography and PKI; and risk management. You'll take six mock tests designed as per the official Security certification exam pattern, each covering significant aspects from an examination point of view. For each domain, the book provides a dedicated cheat sheet that includes important concepts covered in the test. You can even time your tests to simulate the actual exam. These tests will help you identify gaps in your knowledge and discover answers to tricky exam questions. By the end of this book, you'll have developed and enhanced the skills necessary to pass the official CompTIA Security exam.

What you will learn

- Understand how prepared you are for the CompTIA Security certification
- Identify different types of security threats, attacks and vulnerabilities
- Explore identity and access management in an enterprise environment
- Protect your business tools and platforms from cyberattacks
- Create and maintain a secure network
- Understand how you can protect your data
- Discover encryption techniques required to protect against various cyber threat scenarios

Who this book is for If you are a security administrator, a system or network administrator or anyone who wants to pass the CompTIA Security exam, this book is for you. This book is an ideal resource for students who want a career or degree in cybersecurity or are studying for the CISSP certification exam.

How Not to Speak English Vinay Sethi, 2018-12-01

Over 350 LESSONS to IMPROVE your ENGLISH

What's your good name? Myself. We'll revert back to you soon. The meeting has been preponed. English is a challenging language even for native speakers thanks to its confusing rules and exceptions. Moreover, some of us Indians tend to think in our mother tongue and then translate our thoughts to English, resulting in a number of common mistakes like the ones above. Language-related slipups can result in some hilarious as well as embarrassing moments. Many are mortified at the very thought of interacting in English for the fear of being ridiculed. To grow and be successful, it is essential to acquire a formidable grasp over English. Whether you wish to obtain high scores in academics, excel in your career or expand your social circle, acquiring proficiency in English is a plus. In *How Not to Speak English*, the author addresses the key issues in day-to-day English usage. Learn how to train your brain to think in English. Develop the confidence to speak fluently. Express your ideas effectively. Vinay Sethi has a Bachelor's from Mumbai University and a Master's from Pune University, both in English. He is an English language expert and a corporate consultant.
