

The 2022 Climate Action Report

Climate justice takes all forms, encompassing addressing the root causes of climate change, reducing greenhouse gas emissions, and ensuring that the most vulnerable communities are protected from the worst impacts of climate change. It's not just about the environment, it's about the people who are most affected by climate change. That's why we're taking action to address the root causes of climate change, and to ensure that the most vulnerable communities are protected from the worst impacts of climate change.
