GCA Mortgage Group
dba of Gustan Cho Associates

Empowered By NEXA MORTGAGE LLC

- USDA loans are home loans originated by USDA-approved mortgage lenders that allow 100% financing with no down payment from the homebuyer for owner-occupant homes in rural areas zoned by the USDA.
- In order to qualify, you should be buying a single-family home that you plan to occupy as your number one residence.
- USDA loans do not have a maximum loan limit. Loan limits rely on the borrower's qualifications and financial scenario. Borrowers can roll the upfront mortgage insurance premium into the balance of the loan.
- In order to qualify, you should be buying a single-family home that you plan to occupy as your number one residence.
- A monthly payment — together with principal, interest, insurance, and taxes — that's 29% or less of your monthly earnings. Other monthly debt bills you are making can not exceed 41% of your earnings. However, the USDA will consider upper debt ratios when you have a credit score above 680. Dependable profits, usually for at least 24 months.
