Gamans, Mercia Grassi**

Retail Manager Orientation Manual:

Strategic Retail Management Joachim Zentes, Dirk Morschett, Hanna Schramm-Klein, 2016-10-07 This book is devoted to the dynamic development of retailing The focus is on various strategy concepts adopted by retailing companies and their implementation in practice This is not a traditional textbook or collection of case studies it aims to demonstrate the complex and manifold questions of retail management in the form of twenty lessons where each lesson provides a thematic overview of key issues and illustrates them via a comprehensive case study The examples are all internationally known retail companies to facilitate an understanding of what is involved in strategic retail management and illustrate best practices In the third edition all chapters were revised and updated Two new chapters were added to treat topics like corporate social responsibility as well as marketing communication All case studies were replaced by new ones to reflect the most recent developments Well known retail companies from different countries like Tesco Zalando Hugo Boss Carrefour Amazon Otto Group are now used to illustrate particular aspects of retail management

The Retailer's Guide to Loss Prevention and Security Donald J. Horan, 2024-11-01 The Retailer's Guide to Loss Prevention and Security is an introduction to retail security It covers the basic principles the various techniques and technologies available and the retailer's interaction with the police courts and the law Donald J Horan President of Loss Control Concepts Ltd lends to this book his vast experience in the retail business and as a loss control consultant Designated a Certified Protection Professional by the American Society for Industrial Security he is also a member of the International Association of Professional Security Consultants IAPSC He has directed and managed retail loss prevention programs all over the U S for major department stores and specialty chains and has provided his expertise to a host of client companies during his tenure with the National Loss Prevention Bureau Donald Horan's practical experience fills this book with all the tips strategies and procedures you need to create an effective loss prevention program Owners managers and security managers of small and medium sized retail operations security agencies individuals institutions and companies that give seminars on the topic and personnel in law enforcement and forensics will find this an essential text It will be extremely helpful to senior corporate executives to whom the loss prevention security function reports because it is their responsibility to determine whether loss prevention practices conform to the long term goals of the company Growing retail businesses and those contemplating future acquisitions for expansion will find the work invaluable The same can be said for turn around ventures or downsized businesses emerging from reorganization The book would also be easily adaptable for use in undergraduate courses in an accredited criminal justice or retail management program
