(USAF), 2017-08-28 The United States is engaged in a protracted struggle against violent extremists that will persist for the
foreseeable future Our Air Force Special Operations Forces AFSOF are at the forefront of this struggle In recent years we
have called upon AFSOF to deliver unique capabilities and skill sets to combatant commanders across the range of military
operations from the major combat operations in Iraq and Afghanistan to the humanitarian relief operations in Haiti Air Force
Doctrine Document AFDD 2 7 Special Operations guides the preparation and employment of Air Force special operations
forces It builds upon our capstone doctrine and presents the fundamentals of what Airmen have learned as the best way to
organize and employ AFSOF at the operational level of war AFDD 2 7 Special Operations describes the support AFSOF
provides to the joint force commander JFC and reiterates the command relationships that allow the JFC to leverage AFSOF
capabilities as part of a greater campaign plan As we read AFDD 2 7 it is essential we keep the basic SOF truths in mind
AFSOF cannot be mass produced AFSOF is centered on people and not platforms and therefore quality is always better than
quantity It takes years to produce a strategic SOF Airman History has demonstrated that we cannot produce competent
AFSOF after an emergency arises Our AFSOF must remain strong and ready to serve Finally as we employ AFSOF All Air
Force Airmen must be prepared to enable the AFSOF mission with agile combat support capabilities Although proud of our
Air Force s successes during our most recent operations history tells us that we cannot afford complacency With this in mind
AFDD 2 7 captures lessons learned from latest experiences adjusts AFSOF s doctrinal sightline and shapes the foundational
