Stalked by the Alphas Eve Newton, My life was supposed to follow a perfect path a nice job mated by twenty five and children after that But fate has other plans Now a week from turning twenty five I have a successful bookshop that I love but the rest has remained elusive Always within my reach but never managing to hang onto an alpha for long enough to mate and then there is the pact in the back of my mind An alcohol fuelled promise on my twentieth birthday jokingly giving my alpha childhood friends a chance if we re all single in five years I m as single as they get but who knows about them We drifted apart when I moved up North to start my new life But that s when things turn a lot darker I discover I have a stalker Someone who knows me inside out and this twisted obsession has turned dangerous My life isn t mine anymore It belongs to him To them This is a non shifting dark and steamy reverse harem omegaverse standalone Please note this is set in England in a completely fictional world The characters are British and use British English      **The Rejected Alpha's mate**

Mmeso, 2022-06-10 I would never accept a mate that murdered her own mother Those were the words of her mate that pierced through her heart shrinking them to nothing To everyone even her own father she is her mother s killer Candles were lighted beautifully scented flowers were well decorated in my house and even ribbons were tied at various places on that day Soft music played on the stereo whilst people drank ate and made merry Sounds of laughter rang and everyone s faces were filled with smiles until tragedy struck like lightning before I could realize what was happening I became the youngest cursed teen werewolf in my pack accused of killing her mother But then I hoped for my eighteenth birthday because it is only then that I would be free to live my life and have my mate but again tragedy came knocking And once again Lily s life turned around      *Alpha to Omega* Matthew Petti, 2012 Petti s unprecedented perspective will forever challenge the way people think about God human origins ancient mysteries and Revelation s foretold perils and deceptive abuse of mistaken beliefs

is called Wisdom The book starts from the beginning of time The Alpha and takes the reader on a smooth ride down creation of the Universe then with Historical and Archeological proof down ancient times medieval times to current time From there it transports the reader in to the future where we are going and where we will end The Omega It is a unique bold one of a kind Lone Ranger type of book The author after his encounter with death and subsequent survival from two major illnesses which attacked him together began seeking for the truth of life and after four years of dedicated research found it in the sacred books of the four major religions of the world the Bible of Christians the Torah of the Jews the Koran of the Muslims and the Bagavat Gita of the Indian Hindus The truth shocked yet consoled him when he understood that these warring religions are but the four rooms of one single house built on one single foundation yet blocked out from each other Whose builder is the single central figure who is also the Corner Stone He was disappointed to note that the leaders of these religions are aware of this fact yet are misguiding their followers keeping them in darkness to keep them trapped under their own religious banner for ever although it is creating so much of unnecessary chaos in this world This is the purpose of this book the message that the author wants to spread to the world and not conversion from any faith to any faith However he believes that one religion stands way ahead of the other three because of the solid proof it possesses both historical and archeological The book is a unique amalgamation of the truth derived from these four sacred books and assembled in one place thus saving any truth seeker from the hassle of tedious cross reference into these four books He has also described in simple understandable language some of the visions in the Bible and how they are connected directly with recorded History and can therefore be considered true He has also unmasked the identity of the devil and anti christ and has explained who are the demons ghosts and spirits of the dead the Armageddon and the end of the world Finally he has challenged the reader by throwing an option at him to believe in the truth he the author has presented if the reader wishes thereby acquire peace and tranquility within himself and then be an instrument in spreading it within his circle and world at large for a better tomorrow The author pledged that part of the royalties earned for this book will be given to The Canadian Cancer Society Canada and a charity institution in India

Heart of the Alpha Jenny J. Hill,2025-01-28 You re mine Eliana It doesn t matter where you come from His voice is low commanding but his hand gripping my wrist trembles slightly My heart clenches but I refuse to let him see it You know it matters I whisper turning away before he can catch the tears pooling in my eyes I can t

break Not now Eliana please His voice softens desperate as he pulls me back into his arms his embrace unyielding Look at me I won't let you go You belong with me Eliana thought she knew her place in the world a slave to her pack unseen and unwanted It was cruel but it was all she had ever known Dreams of freedom of love were a luxury she couldn't afford Alpha Noah had built walls around his heart a fortress against the pain of his past As the leader of one of the strongest packs in the nation he was feared and respected but inside he was broken Love was a foreign concept a weakness he couldn't afford Two souls scarred in different ways bound by fate When their paths cross sparks fly but not all flames burn bright Some flicker hesitating in the shadows of doubt and pain Can a bond forged by destiny heal wounds carved so deeply Or will the ghosts of their pasts tear them apart before they can discover what it truly means to belong to each other When the darkness they've both tried to escape comes knocking will their fragile connection be strong enough to withstand it Or will it shatter leaving them lost in the chaos
