A. R. E. Building Systems Study Guide and Practice Exam (the Amber Book) Michael A. Ermann,2011-08-24 This exam and study guide tests and fosters ownership of concepts in building systems with an emphasis on the content stressed in the Architect Registration Examination A R E Building Systems component It is designed as a study tool learning exercise and confidence builder Questions are not reading comprehension devices that follow lessons but rather opportunities to introduce a topic Your time is valuable so this study guide does not

treat all content that might appear on the exam equally Rather it weights content by 1 its importance in the A R E exam and 2 its usefulness to the career of an architect It further weights the content based on its yield In other words memorizing the entire plumbing code will certainly help you on the A R E exam but it is certainly not the most efficient means of studying for it
