To unlock the keys, open the phone.

Avoid touching the aerial while it is in use. Contact with antennas affects the communication quality and may reduce battery life due to higher power level during operation.

Do not connect to products that create an output signal, as this may damage the device. Do not connect any voltage source to the audio connector. If you connect an external device or headset, other than those approved for use with this device, to the audio connector, pay special attention to volume levels. Parts of the device are magnetic. Metallic materials may be attracted to the device. Do not place credit cards or other magnetic storage media near the device, because information stored on them may be erased.

Some of the accessories mentioned in this user guide, such as charger, headset, or data cable, may be sold separately.

## SET UP AND SWITCH ON YOUR PHONE

Learn how to insert the SIM card, memory card, and battery, and how to switch on your phone.

### Nano-SIM

**Important:** This device is designed to be used with a nano-SIM card only (see figure). Use of incompatible SIM cards may damage the card or the device, and may corrupt data stored on the card.
