Pugach, 2023-12-12

Revised and updated guide for prospective teachers with increased detail about the realities of teaching in a changing demographic society post-pandemic life, societal changes brought about by technology and the current political moment in education. Real challenges. Real choices. And very real consequences. That's what today's classrooms are about. That's why Marleen Pugach's *Because Teaching Matters* Third Edition depicts today's classrooms as they truly are while highlighting the enormous impact teachers have on students' lives. The book is organized around five professional commitments: learning from multiple sources of knowledge; using the curriculum responsibly; practicing equity-minded teaching; meeting the needs of individual students in the context of the classroom and school community; and contributing actively to the profession. The third edition focuses on the current landscape and challenges of supporting multi-racial, multi-ethnic, multi-lingual, and multi-ability classrooms across socio-economic levels and the relationships among students, families, communities, and educators. The latest academic approaches for teaching students who have disabilities; leveraging modern classroom technology; the role of legislation and funding; and updates on the current context of teaching and teacher preparation. New post-pandemic societal and educational contexts. Classroom and school reflections on practice written by current teachers and teacher leaders in real classrooms and real schools showing authentic best practices in action. Ideal for Foundations of Education and Introduction to Teaching courses designed to provide preservice teachers with an overview of the profession. *Because Teaching Matters* Third Edition tells the story of today's complex classrooms. It also drives home that though the decision to teach is a serious one, it is one that can be extremely rewarding.

**Alternatives to Privatizing Public Education and Curriculum** Daniel Ness, Stephen J. Farenga, 2017-03-16 Through conversations in honor of Dale D. Johnson, this book takes a critical view of the monoculture in curriculum and policy that has developed in education with the increase of federal funding.

and privatization of services for public education and examines the shift from public interest and control to private and corporate shareholder hegemony. Most states' educational responsibilities assessment of constituents curriculum development and instructional protocols are increasingly being outsourced to private enterprises in an effort to reduce state budgets. These enterprises have been given wide access to state resources such as public data from state sanctioned testing results, field testing rights to public schools and financial assistance. Chapter authors challenge this paradigm as well as the model that has set growing premiums on accountability and performance measures. Connecting common impact between the standards movement and the privatization of education, this book lays bare the repercussions of high stakes accountability coupled with increasing privatization. Winner of The Society of Professors of Education Book Award 2018. The edTPA Assessment for Special Education Pre-Service Teachers Stephen J. Hernandez, 2020-04-23. This book is designed to assist the Special Education pre service teacher plan and prepare a successful edTPA portfolio assessment. Creation of this portfolio requires the candidate to plan, implement and assess a series of three to five lessons designed specifically for one student with a disability. In total, the portfolio amounts to the writing of up to fifty pages of commentary and analysis of their pedagogical skills. The need for pre service teachers in special education to receive a passing score on the edTPA portfolio assessment has become a requirement for teacher certification and the successful completion of a degree preparation program in the majority of states in the USA. The creation of a successful high quality edTPA portfolio necessitates the incorporation of teaching and assessment strategies geared towards students with disabilities or the focus learner in edTPA parlance. This book will provide the Special Education pre service teacher and edTPA candidate with detailed guidance on the development of a high quality portfolio. The reader will discover here a wealth of best practices and proven strategies that teacher candidates of special education are sure to find highly beneficial in creating their portfolio.
