

Example 3rd Grade Reading Response: Paragraph 4

I think the one thing the author wants me to know is that when my family may be having problems I can be of help by obeying them and not fussing, disturbing, and/or annoying them. I liked this book because the author chose strong, powerful, descriptive words that made gross, imaginative pictures in my mind. Like in her lunch scene at school, "something cool and slimy running down her face", and at her dinner scene at home, "One edge of her meat was covered with tiny bumps." I recommend this book to good readers who enjoy good long lasting chapters*.
