WEEK ONE AND TWO

DEFINITION COLONIAL ADMINISTRATION IN AFRICA

This describes the political system of government adopted by the British/French in administering colonial territories.

HISTORICAL BACKGROUND

Before 1880's, Europe had what was known as the industrial revolution. This brought the desire to source for markets for their finished goods. Britain, Belgium, France, Germany, Italy, Spain and Portugal were involved in the colonies in Africa. So, the competition led to the scramble for and partition of Africa. At the Berlin West Africa conference of 1884-1885, African lands were shared to European countries as colonies. Nigeria, Ghana, Gambia and Sierra Leone came under the British. While Togo, Cameroun, Mali, Niger, Ivory Coast, Chad, Burkina Faso and Senegal came under the French administration.
