Civic Education Richard G. Niemi,Jane Junn,2005-05-11 Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government American high schools where students learn the basics of citizenship thus ought to play a critical role in the success of democracy Yet studies examining the impact of high school government and civics courses on political knowledge over the past quarter century have generally shown that these courses have little or no effect In this important book Richard G Niemi and Jane Junn take a fresh look at what America s high school seniors know about government and politics and how they learn it The authors argue convincingly that secondary school civics courses do indeed enhance students civic knowledge This book is based on the most extensive assessment to date of civic knowledge among American youth the 1988 National Assessment of Education Progress NAEP Civics Assessment The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching **Becoming Active Citizens** Tom Driscoll,Shawn W. McClusker,2022-05-24 Reimagine civic education This innovative resource provides practical strategies and technological resources for creating authentic engaging learning experiences that empower students to participate in civic discourse and action It examines the current reality of civic education in the United States and other democracies identifies why change is necessary and guides readers on how to spark interest and build skills for participating in a democratic society K 12 educators and leaders will Learn how to transform civic education to prepare students to become active and engaged citizens Discover how to weave civic instruction across the curriculum to create authentic interdisciplinary projects Explore games and other activities that enhance student engagement and understanding of civics Receive lesson examples of effective civic instruction for various grade levels and subject areas Understand how to create opportunities for teaching democratic values through productive civil discourse Contents Introduction Part I Civic Education in 2022 Chapter 1 Civic Education in 2022 Chapter 2 What Works in Civic Education Part II Modern Civic Education in Action Chapter 3 The Power of Action Civics and Authentic Experiences Chapter 4 Engagement in Civil Discourse Chapter 5 News Media Literacy for Combating Misinformation Chapter 6 Engagement Through Games Simulations and Competitions Part III Civics Lessons Across Subject Areas Chapter 7 Civics Lessons for English Language Arts and Social Studies Chapter 8 Civics Lessons for Science and Mathematics Chapter 9 Interdisciplinary Civics Experiences Epilogue References and Resources Index *Foundations of Democracy* Center for Civic Education, Calabasas, CA.,1993 Introduces students to the four ideas which are basic to our constitutional form of government authority privacy responsibility and justice *Civic*

Education David Snedden, 1922 **No Reluctant Citizens** Jeremiah Clabough, Timothy Lintner, 2018-07-11 This book helps social studies teachers reinforce civic education through hands on participatory activities It covers topics like civic literacy human rights service learning and controversial issues providing K 12 students with the tools to become civically engaged

Teaching Civics Today John Larmer, 2022-01-14 Learn how to teach civics in today s classrooms This professional book explores key civics topics and offers strategies for incorporating civics into social studies instruction Includes best practices implementation tools and more teacher support **Civics for the World to Come: Committing to Democracy in Every Classroom (Equity and Social Justice in Education)** Nicole Mirra, Antero Garcia, 2023-07-25 Help students use their voices to build an equitable and just society Years of political violence and protests against injustice have revived interest in teaching civics in schools The problem Civic education as it currently exists privileges systems not students It promotes incremental change within a broken democracy rather than responding to the youth led movements that call for the abolition of inequitable social structures What will it take to prepare young people for the just future they are fighting for Civics for the World to Come offers educators a framework for designing the critical civic education that our students deserve Synthesizing perspectives on democratic life from critical race theory ethnic studies Afrofuturism and critical literacy the book presents key practices for cultivating youth civic agency grounded in equity and justice The authors explore five world building civic skills Inquiry Storytelling Imagination Networking and Advocacy and introduce readers to real learning communities where students and educators are transforming themselves and society *Citizenship* Diana L. Reische, American Association of School Administrators, 1987 The central question of this book is how can schools that are already overloaded with assignments from society find the time and techniques to produce effective citizens Six chapters examine this problem Chapter 1 documents the need for civic education and the problems related to providing an effective civic education Chapter 2 explores the many different interpretations of citizenship education and determines that it stems from all educational experiences A discussion of the different content areas and approaches associated with citizenship education is presented in chapter 3 State mandates and the place of citizenship education in the elementary junior high and high school curricula are outlined in chapter 4 Methods of providing hands on experience to students through youth participation programs are outlined in chapter 5 The concluding chapter discusses ways to use the bicentennial celebration to revitalize citizenship education A five page list of references is provided and the book concludes with 21 recommendations for strengthening civic education SM *Civic Education and the Future of American Citizenship* Elizabeth Kaufer Busch, Jonathan W. White, 2013 Lack of civic knowledge ignorance about the U S Constitution and general ambivalence about education threaten the fiber of this nation The remedy to this malaise advocated in various ways by a diverse group of contributors is a well rounded liberal education that prepar Civic Education for Diverse Citizens in Global Times Beth C. Rubin, James M. Giarelli, 2011 This book explores four interrelated themes rethinking civic education in light of the diversity

of U S society re examining these notions in an increasingly interconnected global context re considering the ways that civic education is researched and practiced and taking stock of where we are currently through use of an historical understanding of civic education There is a gap between theory and practice in social studies education while social studies researchers call for teachers to nurture skills of analysis decision making and participatory citizenship students in social studies classrooms are often found participating in passive tasks e g quiz and test taking worksheet completion listening to lectures rather than engaging critically with the curriculum Civic Education for Diverse Citizens in Global Times directed at students researchers and practitioners of social studies education seeks to engage this divide by offering a collection of work that puts practice at the center of research and theory Civic Education Susan Douglas Franzosa,1988 **Teaching Civics in Unstable Times** Andrew Tripodo,2021-11-10 American political culture runs through civics classrooms and the degraded dialogue and scorched earth partisanship that has defined modern American politics is an indicator that all is not well in our nation s schools Teaching Civics in Unstable Times Guidelines for Defining We in American Democracy offers a fresh expansive view of what civic education can look like in K 12 classrooms and presents three strategies to help teachers curriculum writers and administrators turn their schools into laboratories for democracy that train young people for the moral and intellectual challenges of democratic citizenship This book defines democracy as a way of life that is characterized by frequent public engagement stubborn open mindedness and rigorous debate Our democratic government depends on our citizens leading a democratic life and civic education s chief priority is to teach young people how to do so Civic curriculum has spent decades obsessing over names and dates that fail to give students a sense of their vaunted place in our governing system This book presents three strategies for teaching civics that invest young people in our shared grand experiment in self government and prepares them to lead our nation towards a politics that is more compassionate inclusive and inspired **Teaching Civic Literacy Projects** Shira Eve Epstein,2014 This practical resource shows teachers how to enact robust forms of civic education in today s schools Both instructive and thought provoking it will inspire teachers to craft curricula addressing a wide range of genuine civic problems such as those related to racial discrimination environmental damage and community health Dividing civic literacy projects into three key phases problem identification problem exploration and action the author provides concrete examples from upper elementary middle and high school classrooms to illustrate and analyze how each phase can unfold The projects ultimately provide opportunities for youth to participate in civic life while they develop essential literacy skills associated with reading writing and speaking The final chapter outlines a curriculum design process that will result in coherent and meaningful civic literacy projects driven by clear goals It includes practical tools such as a sample unit timeline an assessment chart and student worksheets that can be modified for immediate use Shira s work offers us a reflection of democratic practice in the classroom through the teaching of critical reading persuasive writing and deliberation In Teaching Civic Literacy Projects Shira invites us all to contemplate the depth of the democratic project and

the possibility that schools can help uphold our democratic ideals From the Foreword by Celia Oyler professor Teachers College Columbia University This book is a gem Shira Epstein has provided invaluable assistance for teachers interested in engaging their students in the political and civic spheres in ways that build crucial literacy skills The combination of a powerful framework and rich and detailed case studies provides readers with a clear vision and helpful specific guidance for creating robust civic learning experiences for young people Diana Hess senior vice president Spencer Foundation and professor University of Wisconsin Madison Excellent civic education means encouraging young people to identify and define problems and take action That is challenging in our era of political polarization and narrow definitions of education Shira Eve Epstein provides the best practical guide for teachers who want their students to confront social problems Peter Levine Lincoln Filene Professor of Citizenship Public Affairs Tufts University Making Better Citizens Civic Education Foundation, Cambridge, Mass,1952 *First Lessons in Civics* Samuel Eagle Forman,1898
