St Charles Missouri Shepherds Guide:

The Official Railway Guide ,1877 The WPA Guide to Missouri Federal Writers' Project,2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The WPA Guide to the Show Me State of Missouri literally shows the reader the virtues of this lovely region by including vivid pictures of Art Deco skyscrapers in downtown Kansas City farm scenes the Ozark Mountains and the Missouri and Mississippi Rivers It includes historical essays about the influence of these rivers on the state as well as Missouri's important role in the American Civil War **The Shipper's Guide** Anonymous,2022-09-17 Reprint of the original first published in 1859 **The Shipper's Guide** James Andrew Phelps,1859 *The Railroad, Telegraph, Electric and Steamship Builders' Buyers' Guide and Directory* ,1897 *Missouri Mining Heritage Guide* John R. Park,2005 The Missouri Mining Heritage Guide provides information on 421 mining history related points of interest mostly visitable sites plus essays on 110 special topics 160 photos and 103 maps illustrate the points of interest **The Bankers' Directory and Collection Guide** ,1900 The Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba ,1881 **Gould's St. Louis Red-blue Book** ,1921 The United States Post Office Directory and Postal Guide ... ,1853 *Guide* American Anthropological Association,2007 *The Smithsonian Guides to Natural America* Lansing Shepard,1996 Explores and celebrates the preserved and protected natural areas of this country that are open for the public to use and enjoy The American Legion ,2002 **Missouri** Best Books on,1941 compiled by workers of the Writers Program of the Work Projects Administration in the State of Missouri with a new foreword by Charles van Ravenswaay and a new introduction by Howard Wight Marshall and Walter A Schroeder *Missouri* ,1998 Once considered a foolish boondoggle of Franklin Delano Roosevelt's Works Progress Administration the Federal Writers Project was initiated to allow employment opportunity to those associated with the arts during the Great Depression The American Guide Series became the most successful venture offering jobs to writers nationwide as each state endeavored to produce a comprehensive guidebook Under the direction of Charles van Ravenswaay former director of the Missouri Historical Society Missouri A Guide to the Show Me State was first published in 1941 Now in a classic reprint Missouri Historical Society Press restores this guidebook to its original splendor and returns it to the bookshelves With a current road map included with the book travelers can compare sights and tours described in the antiquated guide and see how they have developed or disappeared

As Walter A Schroeder and Howard W Marshall describe in the updated introduction The unmarked dirt road impassable when wet that we encounter in reading the WPA guide is no longer a hurdle to be negotiated in order to reach an out of the way site Due to nearly thirty thousand additional miles of paved roadway and endless gas station and motel chains every corner of Missouri is now easily accessible And as Missouri Historical Society President Robert R Archibald states in the foreword If you are the kind of traveler who has no intention of stirring from a comfortable chair near the reading lamp this reprint is really all the equipment you require for a fascinating journey through the Missouri of the past The American Legion Magazine ,2002 *Discovering African American St. Louis* John Aaron Wright,2002 African Americans have been part of the story of St Louis since the city s founding in 1764 Unfortunately most histories of the city have overlooked or ignored their vital role allowing their influence and accomplishments to go unrecorded or uncollected that is until the publication of *Discovering African American St Louis A Guide to Historic Sites* in 1994 A new and updated 2002 edition is now available to take readers on a fascinating tour of nearly four hundred African American landmarks From the boyhood home of jazz great Miles Davis in East St Louis Illinois to the site of the house that sparked the landmark Shelley v Kraemer court case the maps photographs and text of *Discovering African American St Louis* record a history that has been neglected for too long The guidebook covers fourteen regions east and west of the Mississippi that represent St Louis s rich African American heritage In the words of historian Gary Kremer No one who reads this book and visits and contemplates the places and peoples whose stories it recounts will be able to look at St Louis in the same way ever again **Monthly Bulletin** St. Louis Public Library,1926 Teachers bulletin vol 4 issued as part of v 23 no 9 **State Republican Legislative Souvenir, 1897, and Political History of Michigan** ,1897 **Legislative Souvenir and Political History of Michigan** ,1897
