Slate,Clare A. Resilla,2023-09-07 Emergent Bilinguals formerly known as English Language Learners are one of the fastest growing subgroups in the United States Their educational needs are not well met by the educational system In this book we report results of empirical multiyear studies about their reading and mathematics performance both at the elementary school and high school levels Given that state education agencies collect enormous amounts of information that are typically not well analyzed this book serves as an exemplar of secondary data analyses Educational leaders educational researchers and legislators and policymakers will find the chapters in this book useful Findings from these statewide analyses can provide readers with baselines of the performance of Emergent Bilingual students prior to the Covid 19 pandemic in reading and in mathematics Changes in instructional practices and in educational programming could be made based upon the numerous statistical results present in this book *Identifying and Serving Diverse Gifted Learners* Jaime A. Castellano, Kimberley L.

Chandler,2022-03-14 Grounded in a combination of evidence personal narratives interviews data and research *Identifying and Serving Diverse Gifted Learners Meeting the Needs of Special Populations in Gifted Education* is a guiding resource for all stakeholder groups in gifted education to shift the equity needle of gifted programs in America Though it is the right of Black Hispanic Latinx twice exceptional 2e low income and other special populations of students to have access to advanced academic programs in the American educational system complex and deep rooted systemic issues often block the way This seminal text thoughtfully brings the conversation around historically underrepresented students in gifted education to the

forefront drawing on real world examples to provide an accessible discussion of foundational interdependent topics including current research and promising educational practices Readers will develop a basic theoretical understanding of the issues and be able to advance more responsive programs and experiences for low income racially culturally and linguistically diverse gifted students and other diverse gifted populations This text serves as a beacon to motivate K 12 educators researchers and scholars to carry the torch of advocacy on behalf of those students historically underrepresented in programs for the gifted and talented
