

Staff Meeting - self reflection activity

-Take out a post it note and write 5:1 on it. The most successful relations are those that have the 5:1 ratio of positive to negative comments. Place your post it note somewhere in your classroom where you will see it often. When you give a negative remark /raise your voice/ or put down a student, remind yourself that you now owe that child 5 positives to regain buy-in from him/her.

-Now take out a journal or writing paper. Reflect on these private and personal journal questions:

Would you want to be in your classroom?

If you could be a student in any other person on our team's classroom who would it be and why? Schedule an observation in their room.

Reflect on the noise level of your room. Is it loud, why is that? Because of you, your students, or your influence to make it soothing? What comes first the chicken or the egg? Do you think you've ever inadvertently found yourself engaged in a noise war with your class.

What makes a soothing classroom, how can you do one thing next week to make your environment more soothing?
