Eugene Soulsby, 2019-12-02 Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presence a person and as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul's life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of

Domesticated Glory Gale Heide, 2010-09-01 Domesticated Glory critically examines the marriage between Evangelicalism and American politics The study begins by engaging popular political pundits who wish to transform Christianity into an arm of the state It then moves to examine some of the theological foundations proposed as support for the church's propping up of American political ideology Finally the study provides a more robust politics of the church by outlining how the church might act as a politics in itself Thus the church may gain a political voice as church in such a way as to make the world know it stands in need of redemption This is a far cry from the liberal attempt of the Social Gospel and many modern evangelicals to transform the world into a pseudo church by cultural or social control Unlike attempts to engage culture on its own terms in the political arena or to escape politics by avoiding any public testimony to the Gospel this study lays out a way for the church to act as church in the public square witnessing to a Gospel concerned primarily about the universe's King and His future Kingdom

The Message of Spiritual Warfare Keith Ferdinando, 2016-10-20 This valuable exposition of the theme of spiritual warfare is in four sections The first is concerned with the nature of Satan and his activity in the world God has made The second examines the different dimensions of Christ's victory over Satan The third considers ways in which Christ's victory over Satan impacts God's people The final section looks at various areas in which believers must fight sin and Satan Two concluding chapters examine the weapons with which God equips his people for their spiritual warfare

Soothing Aroma Tyesha Thompson, 2023-10-25 What is the likelihood of being told God sees you in comparison to God smells you However the smell of a Christian's life is just as potent as behavior and appearance which is relative to a soothing aroma Soothing Aroma is a term used in the New American Standard Bible in correlation to the phrase sweet savior in the King James version It examines scriptural text about offerings that smelled pleasing to the Lord It is a theological thought with a prophetic sound into the disposition of the sacrificial system concerning

burnt offerings The general intent of a soothing aroma was to appease God The type of sacrifice God deems valuable and costly is us His people as living sacrifices A live sacrifice rather than a dead one infuses the fragrance of Christ That is the soothing aroma that is pleasing to God Jesus is a true example to His followers of what classifies and extols authentic worship to God a valuable and costly sacrifice Christians give off the aroma of Christ as they surrender their lives to Christ as living sacrifices

A Commentary on Romans with Old Testament Allusions Bob Cunningham, 2024-01-25 Romans is almost universally celebrated to be one of the greatest Christian writings ever penned It is the most detailed explanation of the gospel and the relationship between faith and righteousness in the New Testament Paul accomplishes this by relying heavily on Old Testament passages that provided a foundation for many of the arguments he used to enlighten the Israelites of God's plan to include the Gentiles as his people along with them It takes one on a journey to explore how that gospel works to bring man to a place of salvation through obedience by baptism into Christ Gal 3:27 Its impact on the lives of many noted religious leaders throughout history during the Protestant Reformation and Restoration Movements cannot be underestimated Such leaders as Augustine John Chrysostom John and Charles Wesley Martin Luther John Calvin and Thomas and Alexander Campbell have all expressed the profound impact Romans had on their lives Luther sparked the greatest religious revival at the time the Protestant Reformation at Wittenberg in 1517 when he nailed 95 theses to the door of Castle Church which he said was inspired by his reading of the book of Romans The Campbells began the Restoration Movement during the early 19th century around the time of the Great Awakening in the early frontier days with a call of restoring the pure gospel that Paul explained in the book of Romans The overarching theme throughout its 16 chapters is to reveal God's sovereign plan of justification and sanctification to both Jew and Gentile in the church through the gospel where the righteousness of God is revealed Romans 1:17 It is God's blueprint as to how we obtain and maintain faith and what it means to live a righteous life before God

When Wright is Wrong Phillip D. R. Griffiths, 2019-01-14 In today's world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel

Paul's Spirituality in Galatians P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture Spirituality is essentially how one's beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one's faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today
