The Wake-up Call Madu De Silva,2024-05-24 What if the world had never been tainted by sin and evil What if Adam and Eve had resisted the temptation of the forbidden fruit How would our history and faith have been different Would we still have needed God or would God still have wanted us in such a perfect world Now imagine attaining immortality defying the graceful ageing and inevitable death You find yourself in an Eden like setting where your sole duty is to sing praises for the creator living forever with no sin no emotions no physical form and no attachments except for the service of God The allure of eternal life as depicted in various religious texts often presents an image of endless existence in a paradise like setting However the reality of such an existence may not be as idyllic as it first appears Imagine for instance your favourite meal The first taste is a revelation the hundredth still delightful But the thousandth The millionth Even the most divine delicacies could become mundane Similarly consider a favourite song or a beloved film Repeated endlessly even these could lose their charm In an eternal life where each day mirrors the last the pleasures we savour in our mortal lives could become tedious Compare this with our finite existence shaped by time Each day brings a new opportunity every encounter could change our lives and every challenge helps us grow Growing old often seen negatively is a mark of our wisdom and experience The beauty of ageing is a tribute to life itself At some point whether you are a devout cleric or a God fearing layman you have wondered about questions that challenge your beliefs your interpretation of the Bible and what you have learned The Wake Up Call invites you to explore the Bible from a completely new angle It s not a demand to change what you believe but to learn things from a different perspective The readers who accept this invitation will find it rewarding and I promise you a delightful journey This book is not just a critique of God the Bible and Abrahamic religions It s a reflection of our convictions a challenge to look beyond the obvious and a call to question the unquestionable Are you courageous enough to answer the call Are you prepared for the shock of the new insight If so open the book and start your journey The road may be tough but the rewards are priceless This is your wake up call Will you heed it The choice is yours
