No Greater Love R. D. Lock, 2009-05 Behind prison bars Jose Martinez watches his fellow Republican comrades forced into a bullring and machine gunned to death in the first days of the Spanish civil war He wonders why his life was spared or are the victorious soldiers of the Nationalist Army preparing a fate even worse for him Decades in the making the political and religious clash between progressive and conservative Spaniards has turned deadly Like all civil wars this one tears apart Jose s family as well as the nation Into the maelstrom comes sibling jealousy disputes over beliefs aggrieved betrayal and simple lust all threatening the togetherness of a family Added to this turmoil is the dying innocent request of Jose s mother for him to make a spiritual pilgrimage for her to Santiago de Compostela but at what cost While this story is a work of fiction it reflects real events that happen to real people The novel is intended for an American audience who share with the Spanish the memory of a civil war in their historical background The cultural conflicts that gripped Spain three quarters of a century ago find similar echoes in the present day political environment of the United States

No Greater Love Ann McDeed, 2009-12 This is the story of my husband s slow decline

into complete physical dependency and mental distress during the last two and a half years of his life The times he remembers who I am the times he even forgets who he is The funny things he does or says always the big tease the times he is aware of his dementia and cries in torment of his helplessness **No Greater Love, No Greater Sacrifice** Jeremiah F. Stephens,2020-02-09 The poems contained in this book were all written at key points in my life In essence each poem served as a source of inspiration to get me through dark times and remind me of my dependency on the grace of God Each piece included in this book focuses on salvation and who you are in God You may notice that some of these pieces have a unique flow and structure that one would normally associate with lyrics to a song and such pieces can be converted to contemporary Gospel songs Because of the connection between these poems and my heart I feel these are my most personal work This book is the first of more to come I hope that in reading these short pieces you too can be inspired to believe I believe these poems will inspire you no matter where you may find yourself in life as they will serve to remind you that you are somebody because God values you The greatest message God ever proclaimed to humanity was through the sacrifice of His Son Jesus through His death upon the cross We live in a world that does not value human dignity a world that treats people as if they are commodities But I hope to introduce you through these writings to a higher love It is my desire that you learn to see yourself through the eyes of God rather than through the eyes of the world Remember better is not good enough The best is yet to come **No Greater Love** Danielle Steel,2009-02-25 It was the maiden voyage of the Titanic the greatest ship ever built and in one fatal unforgettable night the sea shattered the lives and future of an extraordinary family the Winfields Edwina Winfield returning from her engagement trip to England with her fiance and her family instantly loses her parents the man she loved and her dreams Without even time to mourn she courageously defies convention to run her family s California newspaper and care for her five younger siblings Unable to forget her fiance Charles she is determined never to marry to hkeep her family together and to fight to survive as a woman alone But Phillip her beloved oldest brother sets out for Harvard and tragically betrays her trust Madcap brother George turns to the excitement of Hollywood during its magical days not to the Winfield publishing empire And lovely Alexis who narrowly escaped death when the Titanic went down grows into a troubled runaway whom even Edwina s love may not be able to save The two youngest Fannie and Teddy remain with Edwina at home Compelling and deeply moving No Greater Love questions a woman s choices and the price she must pay for making them And in an unforgettable climax it offers an answer as Edwina confronts the ghosts haunting her and take an extraordinary risk for her future and her heart **No Greater Love , No Greater Love** Mother Teresa,2010-10-04 One of the world s most recognized and loved spiritual leaders Mother Teresa has inspired millions with her extraordinary example of compassionate and selfless work for the poor the ill and the outcast Considered by many to be a saint she was a steadfast voice of love and faith providing immeasurable kindness and guidance to the world s downtrodden No Greater Love is the essential wisdom of Mother Teresa the most accessible and inspirational collection of her teachings ever published This
