gold It was easier for them to make a new god than to continue serving a God that didn't conform to their schedule and expectations Just like the Israelites in the desert we are all fundamentally longing for God but who and what are we actually reaching for and serving Disobedient God addresses the things we do when we feel ignored inconvenienced and frustrated by God What things are we reaching for in our life Are we reaching for porn when we long for intimacy Reaching for success when we long for security We would never say that we have replaced God but our actions tell a different story Whether we are trying to replace God trying to run away or trying to perform for Him we have no mindset to deal with a disobedient God Disobedient God is a book for people dealing with this disappointment and interested in properly understanding and loving the God they've misunderstood This is not a step by step instruction manual for how to react when things are difficult rather it is a way of understanding God that leads people to discover the relationship with God that they were always meant for
