Riasanovsky,2023-11-15 The California Slavic Studies Volume V is an essential contribution to the field of Slavic and Russian studies published under the stewardship of the University of California Press This volume part of a broader series dedicated to advancing scholarship in Slavic studies contains a collection of rigorously researched articles and critical analyses on diverse historical cultural and political topics Ranging from early modern Russian institutions to the literary evolution of figures like Gogol and Tolstoy the volume explores themes like censorship under Alexander II and the intellectual dialogues between Russia and Western Europe Each article provides deep insights into the complex interplay of ideas and historical circumstances that shaped Slavic cultures offering invaluable perspectives for scholars students and enthusiasts of the field Edited by distinguished academics Nicholas V Riasanovsky and Gleb Struve this volume emphasizes methodological precision and the importance of interdisciplinary approaches in understanding Slavic heritage and influence With chapters delving into specific cultural exchanges like Moscow s Nemeckaja Sloboda and broader intellectual trends in Russian thought the book is a vital resource for understanding Slavic and Russian identity across centuries Its relevance extends beyond academia engaging anyone interested in the rich narratives of Slavic and Eastern European histories This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1970 **California Slavic Studies** Nicholas V. Riasanovsky,Gleb Struve,1970 Fighting Words Charles A Ruud,2009-07-14 Censorship took many forms in Imperial Russia First published in 1982 Fighting Words focuses on the most common form the governmental system that screened written works before or after publication to determine their acceptability Charles A Ruud shows that despite this system the nineteenth century Russian Imperial government came

to grant far more extensive legal publishing freedoms than most Westerners realize adopting a more liberal attitude towards the press by permitting it a position recognized by law *Fighting Words* also reveals however that the government fell far short of implementing these reforms thus contributing to the growth of opposition to the Tsarist regime in the second half of the nineteenth century and the first few years of the twentieth Now back in print with a new introduction by the author *Fighting Words* is a classic work offering insight into the press censorship and the limits of printed expression in Imperial Russia *South Western Reporter.
