Scenes from an Automotive Wonderland Gregory A. Cagle, 2018-01-12. Gregory Cagle was a 10 year old car fanatic when his family moved from New Jersey to Germany in 1956. For the next five years he photographed unusual, rare and sometimes bizarre automobiles throughout Europe. This book features 105 specimens of auto exotica captured with Cagle's Iloca Rapid B 35mm camera, not showpieces in museums but daily drivers in their natural habitats. In the background can be glimpsed here and there the mood of postwar Europe. The story behind each photo is told with dates and locations, information and history about the cars and some of their owners along with Cagle's personal anecdotes. *Universa theologia in tomos duos divisa ad mentem ss.
