***Angels at the Eastport Bridge*** MacIntyre, 2011-09-15 Though it may seem a bit complicated the story is simple and when all the pieces are laid out it is plain to see where it all began It started with one single human by the name of Tane MacGregor one single officially insane homeless dust rag of a man He occasionally caught

glances from passing strangers as he swung his feet rhythmically from the drawbridge over the calm waters of Spa Creek and he was often found in the company of angels As it was said MacGregor was seen as the glue the string binding all the events and beings which created a rather remarkable occurrence in the soft beautifully adjacent scenic towns of Annapolis and Eastport and in particular about the small Eastport Drawbridge over Spa Creek spanning and dividing the two Now as the story would be told and retold in most homes and taverns around the Chesapeake for many years it was too easily called coincidence True it began at a certain time with a certain person in a certain situation accompanied by an incredible series of events people celestial beings lawyers homeless schizophrenics ghosts God junk food and small deviations in time and space with waving definitions of good and evil all coming together in a perfect harmonic mix but coincidence Neurodisability and Community Child Health Srinivas Gada,2022-05-12 Containing concise updated and easy to use summaries on a comprehensive range of clinical scenarios and conditions encountered by paediatricians and multi disciplinary professionals in their everyday practice this new edition of Neurodisability and Community Child Health has been substantially revised to be the ideal companion for anyone working with children **Lipoedema** Gilles Laur,2025-07-28 This book provides new insight into advanced medical theories and treatments such as cavitation ultrasound and unique liposuction methods It offers several suggestions and insights into the holistic management of the condition intending to serve as a comprehensive reference on lipoedema One of the book s key goals is to explain how to differentiate other illnesses from Lipoedema when showing symptoms of swollen legs More than 25% of its population is affected with women being the primary patients In addition many women experience emotional distress due to this disease s effects on the body mainly including an abnormal buildup of fat in the legs Doctors often need to be more well trained to recognize this disease therefore it s necessary to highlight it and provide some guidelines and patient assistance This book Lipoedema expands the knowledge base of medical professionals biology and medical students allied health practitioners and the general public It bridges the gap between clinical medicine and basic research laying a strong foundation for future advancements in the treatment of this disease
