Test Score

205

Your Performance Compared to Other Examinees

The chart below represents the distribution of scores for recent examinees from US and Canadian medical schools taking Step 3 for the first time. Reported scores range from 1-300 with a mean of 226 and a standard deviation of 15.

If you tested repeatedly under the same conditions on a different set of items covering the same content, without learning or forgetting, your score would fall within one standard error of the estimate (SEE) of your current score two-thirds of the time. The SEE on this exam is 8 points.

Your score +/- SEE: 197 – 213
