## DIRECTIONS

Introduction If you read an **ARTICLE**, you learned the answer on a theory question, where would you want to put that objective in to write a discussion essay about why your choice would be the perfect solution. In your text and take a chance to share with your parents, maybe you'll convince them too!

Students to get an immediate introduction  
and create a list together on the  
topic. Have students start by  
writing on sticky notes before sharing  
them as large a list as possible.  
After making the list, the  
teacher can assign each student  
one of the items.  
and handout to other students.  
This is possible as to write their  
own great deal. And then the  
teacher can ask them  
to share their list of ideas.  
(There's something, being  
and points, etc.)

Directly after school, at  
about 5 p.m.  
Go to the school  
baggage like to be checked
