Dillon,2011-09 DOWNSIZED is a story of the internal politics of industry where small businesses become companies

and companies are swallowed by conglomerates In the later part of the twentieth century when management and workers became subservient to the accountant the bottom line became the rule of industry No industry was more subservient to the bean counters numbers than the Aerospace Industry In this 135 000 word descriptive narrative Dylan a member of middle management in a small company on Long Island about to be purchased by a larger corporation escapes to Florida only to find the realities of life are not deterred by location In a world of corporative intemperance where loyalty and compassion are replaced by the human frailties of fear self promotion and betrayal we are introduced to the conniver the exploited the ambitious and a father figure with a dream Is it possible for the conflicting personalities to join forces under a narcissistic leader or will they vanish along with so many other outstanding companies into oblivion , Hearings, Reports and Prints of the Senate Committee on Energy and Natural Resources United States. Committee on Energy and Natural Resources,1978 *The Repurposed Spy* Oliver Dowson,2023-03-24 Looking for an exhilarating read that will take you on a journey of a lifetime Look no further than this thrilling novel After years spent teaching Ronald Jones is ready to escape his chronic anxiety and distrust of others and resolves to explore the world His first destination Brazil a place he once visited as a young man But just as he s ready to embark on his adventure the enigmatic Mr Smith appears on his doorstep turning his world upside down Suddenly Jones finds himself in a new and dangerous existence surrounded by moody men in suits shape shifting female agents spooks and robotic controllers With no apparent experience of this new world Jones is in mortal danger and way out of his depth As you turn the pages of this gripping novel you ll be catapulted into a thrilling world filled with unexpected twists and turns Will Jones cooperate with the mysterious figures surrounding him And if he does will they ever bring him back from the edge Find out in this must read book that will keep you on the edge of your seat until the unpredictable very end Ronald Jones *The Repurposed Spy* is a spy like no other you ve ever read about So what are you waiting for Book your one way ticket to adventure and join Ronald Jones on an unforgettable journey around Latin America and beyond that will leave you breathless Advance readers love *The Repurposed Spy* You become the mysterious reader of a thrilling narrative from a dazzling character an allegory about what freedom actually means You will need to read to the finish line to find out Do not miss this new Dowson piece JA an incredibly engaging book you are constantly on the edge of your seat trying to figure out what is going on The writing was a joy to read The author is a master storyteller and you are sure to enjoy *The Repurposed Spy* CB I loved the book I genuinely loved it It s not at all I was expecting it to be in a good way It was filled with unpredictable twists unforgettable characters and an end that I didn t see coming but was totally satisfied with Great book DR There is something Orwellian about this story the central character Ronald Jones kept reminding me of Winston Smith in 1984 always looking over his shoulder The author keeps you on the edge of your seat throughout wondering what will next befall this hapless and apparently reluctant spy It is an intriguing tale

narrated in a light slightly whimsical style that constantly keeps you off guard I rattled through Oliver Dowson s debut novel at breakneck speed anxious to get to the denouement I wasn t disappointed and neither I venture will you DJ The Repurposed Spy is a page turner The novel grabbed my attention from the outset and retained my interest throughout That s the trademark of a good mystery thriller it keeps you guessing throughout and looking forward to finding out more at the end The twist at the end was really surprising I did not see that coming and I m usually good at predicting the outcome BR
