One Law Henry Drummond, Ruth L. Miller, 2013-06-11 This latest addition to the Library of Hidden Knowledge series provides a modern understanding of Henry Drummond's powerful philosophical writings about the harmony between science and spirituality Is there not reason to believe that many of the Laws of the Spiritual World hitherto regarded as occupying an entirely separate province are simply the Laws of the Natural World Henry Drummond Using spiritual experience to explain scientific principles New Thought pioneer Henry Drummond's provocative essays demonstrate the direct connection between spiritual law and natural law to introduce a worldview unbound by conventional thought Today his groundbreaking observations are as relevant as ever and in *One Law* Dr Ruth Miller incorporates the modern laws of physics biology cybernetics and ecology with Drummond's original essays to decode the spiritual realm Bridge the gap between science and spirituality and forever change the way you see the world by rediscovering Drummond's provocative theory that natural law and spiritual law are one and the same

Calm Birth, Revised Robert Bruce Newman, 2016-08-02 The trauma of childbirth is a commonly heard phrase but one that *Calm Birth* authoritatively counters A resource for pregnant women and birth workers looking for empowering mind body practices for a healthier kind of birth this edition revised with updated research and new material shows how we can restore childbirth to its sacred status The *Calm Birth* method based on successful programs of the Harvard Medical School and the University of Massachusetts Medical Center combines three proven practices relaxation meditation and healing with current scientific knowledge to nurture the expectant mother's natural ability to give birth in true harmony with her body and her baby Newman contextualizes the multilayered method within the existing literature of mind body medicine and meditation science as well as the meditation traditions from which two of the methods originate In eight inspiring case studies of women who have experienced calm births the author complements the thoughts of renowned experts including Carlos Castaneda and Carolyn Myss With 25% new material this revised edition contains a new foreword by Sandra Bardsley updated research in the fields of meditation birth and the prenatal period two new birth stories three new chapters and new photo documentation
