The Ushers, Protocols And Greeters That Every Church Needs Albert O. Aina, 2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books todate but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their

headquarters church Their invitation came a bit late I could not be there physically I didn't have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct them No need for Ushers and the church went on smoothly thereafter I had no book to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are Greeters Who are Traffic Controllers I didn't write any book to explain I only explain during workshop session Now the explanation has become handy *Church Usher: Servant of God* David R. DAVIS, 2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ A Practical Guide for Church Ushers & Greeters Joseph Brewer, 2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He s the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building He s the watchman at the gate keeping an eye out for

dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He s the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV

she includes interviews with twenty five women from throughout the country She outlines and presents the hurdles in twenty five separate court cases Each case presents the interests of both the offenders and the offended The Whistleblower s Report Linhart provides a host of Biblical evidence which leads to an in depth study of the scriptures Ultimately she relies on the Holy Spirit to help guide Christians to deciphering the word in order to enter a verdict guilty or not guilty *Altar Guild and Sacristy Handbook* S. Anita Stauffer, Gerald Spice, 2002-08-29 Ushers and greeters serve to present the face of the congregation and set the tone for both newcomers and regular worshipers This handbook presents helpful tips on recruiting training coordinating and making the most of your usher and greeter team *IT'S ALL ABOUT THE KINGDOM* Dr. J. and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them
