General Information

The Utilization Review (UR) Department is responsible for determining the medical necessity for services based upon an injured worker's clinical condition. Our staff utilizes evidence-based clinical guidelines from national and state authorities to guide utilization management involving prior authorization, concurrent review and retrospective review.

- The medical provider who provides or prescribes medical treatment, equipment, or supplies must submit the request(s).
- Reimbursement is per WSI fee schedule.
- For information on billing, contact Customer Service at 800-777-5033.
- Final liability and payment decisions are the responsibility of the claims adjuster managing the claim.

Submitting a Prior Authorization Request

- Verify the status of a claim; visit our website, www.workforcesafety.com, under Medical Providers, Online Services
- Review this guide to determine if prior authorization is required
- Complete [UR Review Request \(UR-C\) form](#)
- Fax UR-C form and supporting documentation to: 701-328-3765 or 866-356-6433
- Upon receipt of the request and medical notes, WSI has three business days to complete the review
- If not utilized within three months (six months for elective fusions), the request must be re-submitted with updated medical information for additional review
- A medical provider may perform necessary emergency services for a serious, unexpected, or dangerous condition without prior authorization. However, notification is required within 24 hours of, or by the end of the next business day following, the initiation of emergency treatment.

Submitting a Retrospective Authorization Review Request

- Review the Utilization Review Guide to determine if prior authorization is required
- Submit a bill for processing if prior authorization was deemed necessary
- Complete the [Medical Bill Appeal \(M6\) form](#) upon receipt of a denied charge, which will initiate the retrospective authorization review process
