

Valedictorian Speech (Sample only)

A pleasant morning/afternoon everyone especially to our dearest (*name of principal*), teachers, parents, and my fellow graduates! Today, we are celebrating the success of the fruitful end of our elementary education and the beginning of the new chapter in our school life. I know that all of us are in mixed emotions but, this is the time to rejoice for we are able to finish and accomplish something that we can be proud of. In behalf of my fellow graduates, I would like to take this opportunity to thank our Dear Lord and those who have helped us achieve our dreams especially (*mention the name of the persons you would want to personally thank*). (*Take a pause*) I suddenly reminisced on some of the memories with my classmates, friends, and teachers. These are the things that we have laughed and shared at and even those that caused our so called failures. Those situations are too many to mention but, deep inside me all of you knew what I was talking about. I wish that we would cherish those unforgettable moments and experiences. (*Nicole, you may add your personal experience and those people you want to mention*). Now that the society may somehow consider as grown-ups, I hope that we will never forget to thank God and ask for his guidance. May we likewise instill the values and lessons that we have learned in life.

Thank you my fellow graduates! Congratulations to us and GOD SPEED!

Educating with Love and Without Compromise Ed. D. Gallon III, 2010-08

Educating with Love and Without Compromise is the stirring heart wrenching tale of educating children in one of the most impoverished and crime ridden communities in the nation It is one educator's story of returning home to provide hope education and leadership to a school a community and children who far too many people and even the system itself had given up on Faced with challenges ranging from children forgotten by society and neglected at home to teachers and bureaucrats who question the investment of time and resources in certain schools and communities Educating with Love and Without Compromise is the story of one man's struggle to prove that children can succeed in struggling schools and rise from troubled communities This easy to read enjoyable tale is sure to both inspire and empower everyone that cares about and loves children Among immense poverty incompetent and uncaring teachers an apathetic system and an ever expanding deadly drug turf war Darryl Gilliam has come back home to lead the education of over 1 000 elementary school students Faced with these challenges he is armed with two core beliefs about the education of children First they must always have expressions and examples of love in and around their lives Second that under no circumstances should educators and adults ever compromise high expectations when it comes to the learning and lives of their students Armed with these two core beliefs boundless energy and a focused plan for educational change Gilliam works to inspire the same sense of passion and commitment around those around him as he embarks on a personal and professional journey that will take him beyond the walls of the school Educating with Love and Without Compromise is a heart wrenching uplifting tale that will bring its readers into the real often unglamorous work of educating children who often sit on the margins of classrooms schools and society Dr Steve Gallon III is a native of Miami Florida A graduate of Florida A M University he holds a degree in English Education as well as a Masters Degree in Educational Leadership and a Doctoral Degree in Educational Administration and Supervision from Florida International University Dr Gallon has risen through the administrative ranks as a public school educator serving as a teacher assistant principal elementary and senior high school principal and central office administrator in Miami Dade County Public Schools the nation's 4th largest school district He has also served as a Superintendent of Schools At every level of his service as an educator Dr Gallon has improved student performance accountability and overall educational quality In addition to his work in public education he has also serves as an adjunct professor in the area of Educational Leadership at Florida International University and Florida Atlantic University

Pence Andrea Neal, 2018-07-11

What does a person need to learn before they can survive as the vice president under a tumultuous administration How do you continue to honor the laws and the constitution of the country in the face of increasingly vitriolic partisan politics Mike Pence's vice presidency of the United States wasn't always easy To some he is the personification of

American conservative values but to others his ideals are the epitome of prejudice and bigotry In Pence The Path to Power journalist Andrea Neal showcases how the vice president arrived at this position of influence Neal interviews friends family staff former teachers and politicians on both sides of the aisle to reveal a multifaceted view of the self described Christian Conservative and Republican in that order from his beginnings in a large Irish Catholic family in Columbus Indiana through the scandals of his first election to his time beside Donald Trump This candid look at Mike Pence s life exposes his unexpected path to power and the individuals who influenced him along the way *American Jurisprudence* ,1962
