"WE ARE DESTINED FOR GREATNESS"

Chief Guest, The Chancellor, Vice Chancellor, Deputy Vice-Chancellors Principals of Colleges, Deans, Directors, our beloved teachers, parents my colleague graduands and all protocols observed; Distinguished Guest, Ladies and Gentlemen. Good morning!

I am humbled to address such a wonderful gathering here today – all under the umbrella of cherishing success. History brings us here through a long winding trip that can only be defined by the faithful as a miracle. It is a miracle to those of us who only witnessed others rewarded but never thought about the dawn of our day. Now it is our turn. Our turn to take those powers to read and do all that appertains to the degree.

On behalf of my colleague graduands, I hereby extend our sincere gratitude and appreciation to all of you who gave us this opportunity. You have proved to us that indeed hard work pays.

To our parents, thank you for understanding that the only inheritance you could dedicate to us was this education. We promised never to let you down and today you can attest to this. We did that and we have successfully completed our task. To God be all the glory.

Renato Rosaldo Lecture Series Monograph ,1990 Volume 1 Family and Mormon Church Roots: Colonial Period to 1820 JOHN J HAMMOND,2011-07-27 This is the first volume of a multi volume work entitled The Quest for the New Jerusalem Mormon Generational Saga and it ends with a listing of the titles of all sixteen volumes in this series which have been written to this point Before discussing the first volume it is necessary to describe the entire series Around the year 2000 the author began a thorough investigation of his genealogical roots and to his surprise discovered that many of his ancestors had played significant roles in the early history of America and central roles in the history of Mormonism Wherever he looked his ancestors were there during the colonial King Phillip s and French and Indian Wars in New England at the Battle of Bunker actually Breed s Hill and on a prison ship for two years on the Hudson River during the American Revolution on whaling ships in the south Atlantic and northern Pacific during the 1840s at Mormon Kirtland Far West and Nauvoo during the turbulent and often bloody events of the 1830s and 1840s in the earliest Mormon experiments with polygamy almost all of the author s ancestors were polygamists in San Francisco and Sacramento during the earliest stages of the California Gold Rush in the immigrant ships filled with Mormon converts crossing the Atlantic in the wagon trains carrying the saints across the plains to Salt Lake City during the establishment of the Mormon Church in Hawaii in the early 1850s in the first halting steps toward elementary and higher education in Utah during the Mormon War with the U S army in Utah in 1857 58 in the operation of the early Salt Lake Theater in the building of the transcontinental railroad across Utah in 1869 in the settlement of the wild four corners area during the 1880s and 1890s in the rather secret and somewhat underhanded process by which Utah became a state and in the pioneer settlement of southern Idaho in the early 1900s The author felt impelled to tell these wonderful ancestral stories and it became obvious that this could not be done without giving an account of the history of the Mormon Church the two subjects were intimately interwoven Furthermore telling the linked ancestral Mormon story beginning in the American colonial period could not be adequately undertaken without giving an account of significant events in the larger American story In recent years a number of writers have given us fascinating generational family stories Alex Haley s Roots is a well known example Haley traced his African American family all the way back to a slave taken from a village in Africa In 1991 Chinese American Jung Chang s in her Wild Swans Three Daughters of China told a wonderful story of three generations of Chinese women her great grandmother grandmother and mother reaching back to China Adele Logan Alexander s Homelands and Waterways The American Journey of the Bond Family is an account of several generations of the author s African American family Concerning another example James Fox s The Langhorne of Virginia

reviewer Robert Skidelsky wrote It was a clever idea to use family history to write about social and political history What Fox does is to use the Langhorne sisters as a peg on which to hang the story of the decline of the British aristocracy or Empire or both John Hammond's multi volume Mormon Generational Saga evolved into something very similar to Fox's but he utilizes family history to write about religious as well as social and political history In fact what has emerged is a very detailed examination of the early history of the Mormon Church with a special focus upon how that history affected his ancestors The series opens in the earliest years of colonial New England with an account of four of the author's ancestral families and the early lives and ancesto

Modernism Kenneth H. Marcus,2016-01-14 Schoenberg is often viewed as an isolated composer who was ill at ease in exile In this book Kenneth H Marcus shows that in fact Schoenberg s connections to Hollywood ran deep and most of the composer s exile compositions had some connection to the cultural and intellectual environment in which he found himself He was friends with numerous successful film industry figures including George Gershwin Oscar Levant David Raksin and Alfred Newman and each contributed to the composer s life and work in different ways helping him to obtain students making recordings of his music and arranging commissions While teaching at both the University of Southern California and the University of California Los Angeles Schoenberg was able to bridge two utterly different worlds the film industry and the academy Marcus shows that alongside Schoenberg s vital impact upon Southern California Modernism through his pedagogy compositions and texts he also taught students who became central to American musical modernism including John Cage and Lou Harrison *Transformative Researchers and Educators for Democracy* João M.
